As per the Annual Accounts of the Company for the period ended on 31st March, 2003 (16 months) the accumulated losses exceeded the net worth of the company, which has resulted in the total erosion of its entire peak net worth. The Board of Directors have taken the view based on the audited accounts placed in the Board Meeting of the Company held on 18.06.2003 and formed an opinion that the company prima facie has become a Sick Industrial Company in the meaning of section 3(1)(O) of the Sick Industrial Companies (Special provision) Act 1985 and pursuant to the provisions of the said Act a reference has to be filed with Hon'ble Board for Industrial & Financial Reconstruction (BIFR) in prescribed format with in 60 days from the date of finalization of the duly audited accounts for that period. Further due to adverse market conditions and liquidity crunch resulting in lower capacity utilization, company is not recovering its fixed cost / overheads (including interest) and incurring losses, it is, therefore, essential to approach BIFR so that speedy measures are taken by the Hon'ble BIFR for the revival of the company. It may be noted that the reference filed in January, 2001 on the basis of Audited accounts for the period ended 30th November, 2001 (11 months) registered as BIFR Case no.117 / 2002, was dismissed by the Hon'ble BIFR vide its order dated 28th October, 2002. Against the said order passed by the Hon'ble BIFR, the company has filed an appeal before the Hon'ble AAIFR on 26th December, 2002, which is pending before Hon'ble AAIFR.
