

Result Update

Kyon ki bhaiya, sabse bada rupaiya.

Attractively valued at 10.3x TTM earnings

In terms of valuations, the stock is valued at 10.3x its TTM earnings of Rs 39.7. With the company expected to ramp up its production significantly at its Moraiya facility in the coming quarters, coupled with its decent order book position and its likely foray into niche segment of larger class transformers, we remain bullish on the growth prospects of the company and recommend a **HOLD** on the stock.
