ANNUAL REPORT

06-07

The background of the slide is a stylized illustration of a large, leafy tree with a thick trunk. The leaves are a vibrant orange color, suggesting autumn. Three apples are shown falling from the tree, each with a motion blur trail behind it. The apples are red with some green at the top. The overall scene is set against a light orange background.

Everyone saw
an apple falling.

Only **Newton** saw gravity.

Every sailor had
a ship and a compass.

But it took **Columbus**
to discover a New World.

Anyone could look
through a telescope.

But **Galileo** saw
more than anyone else.

Many people
dreamt of flying.

Leonardo da Vinci saw how.
