metamorphosis and adani

Metamorphosis is synonymous to disruptive growth. It is a process that entails change keeping the DNA intact – for instance the classic blossoming of a cocoon into a colorful butterfly.

At Adani Enterprises, we have metamorphosed over the past 25 years, emerging from a respected trading entity into one India's most diversified players engaged in a holistic range of core sector businesses including; coal trading and coal mining, power generation and transmission, ports and SEZ and agri-commodities, among others.

In doing so, we have kept national needs above everything else and created capacities and capabilities much ahead of demand. Our strong belief of 'What is good for India is good for Adani' has held us in good stead and guided all our business activities and investment decisions.
