3. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND:

The Company was not required to transfer unclaimed dividend in to Investor Education and Protection Fund during the period under review.

4. REVIEW OF BUSINESS OPERATIONS AND FUTURE PROSPECTS:

During the year under review your company has achieved about 17.88% growth in personal care product segment, however trading of welding equipment business was flat. In spite of sincere efforts taken by the management there was no sign of growth in the trading business, hence management decided to concentrate on manufacturing of personal care business and dis-continue the trading business, so that all energies and resources of the company can be contributed into the personal care business which is a shining segment.

With a slow start in 2016, the economic momentum recovered towards the middle of the year. While this growth momentum was temporarily impacted with demonetization, the Indian economy appears to be recovering fast and will continue as one of the fastest growing nations.

Consumers are opting to spend on necessities rather than on discretionary items. The FMCG industry remained under pressure because of subdued consumer sentiments. Earnings for most companies were soft through the year and they struggled for volume growth.

Your Company's initiatives in the area of sustainability, vision and its growth path into the future, leveraging its corporate strategy of creating multiple drivers of growth is slowly bearing fruit. The order booking for the current year is encouraging.
