### **DIVIDEND**

In view of losses, your Directors do not recommend any dividend for the year under review.

## BUSINESS OUTLOOK OF THE COMPANY

The company's business outlook depends on its ability to acquire existing companies in the two domains of mobile banking and remote health monitoring. These acquisitions will give the company a quick entry into these two domains which coupled with the technologies that our company has identified will help the company to generate higher profits than its competitors. The company is currently negotiating with two such companies for acquiring them and several strategic international investors have shown keen interest in investing in our company to support such acquisitions. The management is optimistic about the future outlook if these acquisitions are successful.

## CORPORATE GOVERNANCE AND MANAGEMENT DISCUSSION ANALYSIS

A separate report on the Corporate Governance and Management Discussion Analysis for the year under review as stipulated in Clause-49 of the Listing Agreement with the Stock Exchanges, has been attached as part of this annual report.

- 1) That in the preparation of the accounts for the financial period ended 31<sup>st</sup> March, 2011; the applicable accounting standards have been followed along with proper explanation relating to material departures.
- 2) That the Directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the year and of the loss of the Company for the year under review.
- 3) That the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- 4) That the Directors have prepared the accounts for the year ended 31<sup>st</sup> March, 2011, on a going concern basis.

### **OBSERVATIONS OF AUDITORS**

As regards the observations of Auditors, in Item No.3(d) of their Report regarding amortization of technology fees, the Board wish to state that in view of inadequacy of profits and meltdown in business situation all over world, the technology fees have not been amortized and the same would be done as soon as adequate profits are available in future.

As regards Item No.3(f)of their Report regarding confirmation of account balances of customers and suppliers, the Management has taken necessary steps to obtain the confirmations. Since, all the dues from Debtors are collectable, Hence there is no necessity of making provision for Bad and Doubtful debts. The Board is of the view that this would not have any material impact on the financial statement of the Company.

#### **AUDITORS**

The members are requested to appoint Auditors for the period from conclusion of the ensuing Annual General Meeting till the conclusion of next Annual General Meeting. M/s Vivekanandan Associates, Chartered Accountants retire at the ensuing Annual General Meeting and are eligible for reappointment. ### MANAGEMENT DISCUSSION AND ANALYSIS

The company is well poised to enter the very lucrative market space of providing remote monitoring of patient's health parameters. This is an opportunity that provides major benefits to hospitals, doctors, patients and the payers such as insurance companies. The company is planning to launch this service in India, South East Asia and the Middle East.

The company is also working to support the Government's initiatives to achieve financial inclusion in rural India by providing a mobile banking platform that is secure for financial transactions and can be used by cooperative and other rural banks. This is a long gestation project but has tremendous potential in the long term.

Both these services would leverage the telecom infrastructure in India and would derive its competitive advantage from advanced telecom technology sourced from Germany.

However these initiatives would depend upon the availability of resources to implement the same.

### **OPPORTUNITIES AND THREATS**

The Company is able to see opportunities in the areas of advanced technologies, which will be exploited for the company's growth. As and when any such opportunities are materialized, the company would plan to raise their resources for the business.

### **OUTLOOK**

The management is optimistic about the business outlook of the company subject to availability of funds and unforeseen circumstances.

### **INTERNAL CONTROL SYSTEM**

The company has in place adequate internal control systems commensurate with the size and nature of operations of the company.

### **FINANCIAL PERFORMANCE**

### 1. Financial Statements

The financial statement have been prepared in compliance with the requirements of the Companies Act, 1956 and generally accepted accounting principles in India.

## 2. Fixed Assets

During the year company has not incurred any capital expenditure.

## 3. Inventories:

Not applicable

# 4. Sundry Debtors:

The sundry debtors as on 31<sup>st</sup> March, 2011 were Rs. 6.95 lakhs as against sale of Rs. 26.15 lakhs for the year ended 31<sup>st</sup> March, 2011.

## 5. Financial Performance:

The net loss for the year was Rs. (7.06) lakhs as compared to net loss of Rs (14.90) lakhs in the previous year.

### 6. Risks and Concern:

As is well known, the business of software is associated with various risks and competition. The fast obsolescence of technologies and the availability of advanced technologies at reasonable costs are also areas of concern. However, the management would endeavor to overcome these risks and concerns with suitable steps at appropriate time.

#### 7. Human Resources:

The company is outsourcing required manpower and hence the employees strength is negligible. The company is not facing any human relationship problem.

## **CAUTIONARY STATEMENT**

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates or expectations may be "forward looking" within the meaning of the applicable securities, laws and regulations. Actual results could differ substantially or materially from those expressed or implied. Important factors that would make a difference to the Company's operations include a downtrend in the global markets, changes in government policies and regulations, tax regimes, litigation and significant changes in the political and economic environment and such other factors.
