3. OPERATIONS :

Steel Rolling Mills continue to be under severe strain of market recession, rising cost of production and the tough competition. As a result of this, the working of your Company is undoubtedly not upto mark. The production, sales and profit before tax for the year under review has gone down. However, if the results are seen, keeping in view the general scenario of the industry the working of your company cannot be said to be so discouraging or disappointing. Several rolling mills have pulled down their shutters and there is hardly any unit which works to the optimum capacity.

On account of greater concentration on exports as stated in the following para things are looking brighter for the future. Second rolling mill which was hitherto closed has now been restarted.

4. EXPORTS :

The Company continued to accord its high priority and importance to exports. During the year under review, your Company secured a big export order against stiff international competition. This order is being executed in the current year. It is hoped that on execution of this order the total sales and the export sales shall scale new heights in the current year.

As usual this year also Company developed some new Sections for the overseas buyers. New territories have also been added to our export market.

5. WIND MILL :

Our wind Mill at Lamba continues to work normally.

6. DEPOSITORY SYSTEM :

Your Company has entered into an agreement with the National Securities Depository Limited (NSDL) and the Central Depository Services (India) Limited (CDSL). This enables you to hold your shares in a dematerialised form with either of these depositories.

Since this mode facilitates quick transfers and prevents forgery, those shareholders who have not opted for this facility are advised to dematerialise their shares in their own interest. Your Company has also made arrangements for simultaneous dematerialisation of the physical shares lodged for transfer.

Shares of your Company are compulsorily traded in demat with effect from 2nd April, 2001 both at Mumbai and Ahmedabad Stock Exchanges.

7. DIRECTORS RESPONSIBILITY STATEMENT :

Pursuant to the requirement under Section 217 (2AA) of the Companies Act, 1956 with respect to Directors Responsibility Statement, it is hereby confirmed :

- (i) That in the preparation of the accounts for the financial year ended 31st March, 2001, the applicable accounting standards have been followed along with proper explanation relating to material departures.
