OPERATIONS

Your Company's new unit for manufacturing Kraft Paper is now projected to commence at the Vapi premises. Nearly 95% of the construction is complete and the balance 05% work is expected in a near future. The Financial Institution viz The Gujarat State Finance Corporation is fully satisfied with the progress of this project and released Term loan of Rs. 209.00 lacs. If this trend of the progress is maintained, your management expects to commence trial production by the end of December, 2000.

The performance of the company has been adversely affected bringing down the turnover from Rs 101.03 lacs to Rs. 81.35 lacs. Since the reason for this effect is attributed to the shifting of the box manufacturing unit, your management has not been frustrated for obvious reason. Besides, the slackness in the entire economy and the financial crisis faced during the year under review have also played a major role to slow down the demand for Corrugated Boxes. In spite of all these, your management would keep on its efforts to see that the company records during the current year a remarkable upturn in its overall performance.

PAN PACKING INDUSTRIES LTD.

PUBLIC ISSUE

It is a matter of regret that many of the members have not yet paid their Allotment Money which is outstanding to tune of Rs. 135.70. This has hampered the progress of the company's new projects. Since Public Money is raised to provide fund for the new projects only, and the entire financial projections were based on timely receipt of the fund. Your company could have achieved the desired targets, had the members paid their dues. However, your Management again requests the members to consider this aspect and pay the allotment money at their earliest.
