YEAR IN PROSPECT

The past year was marked by a steep rise in crude prices, which has affected all sectors of economy. The rise in petroleum prices has had a cascading effect. But the steady inflows from Foreign Funds maintained the buoyancy in the economy, as well as the stock markets. This shows the global confidence in the fundamentals of Indian economy. But to keep up this tempo, the Government may have to revive the investment interest in the infrastructure sector. A healthy growth in road network, Airports, Sea Ports, Power, Telecommunication and Water resources shall be crucial for pushing the economy towards the desired growth rate of 8%.

Your Company withstood the sharp increase in prices of raw materials and consumables and has improved the sales over last year. Overall economic stability in South East Asian Countries and Europe is expected to harbinging better growth prospects for the exports of your company's products during the current year.
