### ITEM No. 8 :

As part of the diversification programme for the Company your Board of Directors have thought it advisable that the Company take up Real Estate business and Property Development business which appears to have a good potential future. Diversifying into these areas will help improve the profitability and image of the Company. Since the present object Clause does not permit the Company to take up the new business contemplated as per Sec.17 of the Companies Act, 1956, the approval of the Company in general meeting is required by way of Special resolution for amending the object Clause of the Memorandum of Association of the Company.

The said resolution was approved by members on 27.09.96. But as per the latest amendment of Company Law 1996 which came into effect from 01.03.97 for change of object clause no Company Law Board approval is required.
