**PUDUMJEE PULP & PAPER MILLS LIMITED****ANNEXURE TO THE NOTICE**

Explanatory Statement under Section 173 of the Companies Act, 1956.

The following Explanatory Statement sets out all the material facts relating to item Nos.7 and 8 of the Special Business mentioned in the accompanying Notice dated 26th June, 1998 convening the 33rd Annual General Meeting.

**RESOLUTION NO.7**

The Equity shares of the Company are listed on six Stock Exchanges across the Country. It has been observed that on the Stock Exchanges at Calcutta, Delhi & Madras have virtually no trading in equity shares for the last many years. Hence it is proposed to delist the equity shares of the Company from the said three Stock Exchanges. However the shares of the Company will continue to be listed on The Stock Exchange, Bombay, National Stock Exchange of India Ltd., Bombay and Pune Stock Exchange Ltd., Poona (the Regional Stock Exchange). It will be seen from the above that on the proposed delisting the shareholders are not likely to be put to inconvenience by this delisting.

The resolution is commended for the approval of members. None of the Directors of the Company is concerned or interested in this resolution.

**RESOLUTION NO.8(a)**

The Companies Act, 1956, presently, does not allow the buy-back of the Company's own shares. The Companies Bill, 1997 however has sought to lay down the operative provisions to regulate the buy back of shares by Companies. Hence it is felt that, in the near future, the law may provide for such buy-back. It is therefore, proposed to have an enabling provision to buy-back not exceeding 10% of aggregate paid up equity shares from the existing shareholders either from the open market or from the holders of odd lots or in any other manner as may be permitted by law.

The buy back of shares as aforesaid would be completed in 15 months period from the date of enactment of the relevant provisions and would involve investing of an amount which would not be less than the market value of shares of the Company bought back and shall be met out of free reserves and/or the share premium account and/or out of other funds permitted by law for the purpose and/or out of the proceeds of fresh issue specifically made for the purpose.

The Directors are of the opinion that should such provisions be enacted, the buy back will be in the interest of the Company. The proposed Resolutions are aimed at facilitating the Company to buy back its shares as soon as it is legally permissible.

The Resolution is commended for the approval of shareholders.

None of the Directors of the Company is concerned or interested in this Resolution.

**RESOLUTION NO.8(b)**

As stated aforesaid the Companies Bill, 1997 had incorporated certain provisions for permitting Companies, within certain regulatory framework, to buy-back their own shares. It will be necessary to make an enabling provision in the Articles of Association so that as and when any legislation is passed/amended permitting such a course of action, the proposal of buy-back can be implemented when necessary.

The resolution is commended for the approval of the members. None of the Directors is concerned or interested in this resolution.

The Articles of Association of the Company are available for inspection by members on all working days between 2 p.m. and 4 p.m.

By order of the Board of Directors,
