**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****THE SCENARIO:**

The Company is mainly in the finance business and is running a wind energy generation plant as well (wind mill). There is stiff competition amongst major NBFC companies as of today, but the history & background of your company has helped in retaining old customers and securing new ones. Despite the adverse market conditions, the company has managed to maintain its profitability, which is due to timely adoption of prudent business strategies, measures taken to reduce cost of funds and cost of operations, improved fund management and effective steps taken to maintain the level of the company. Your company has also strengthened its financial position by simultaneously operating a wind mill in Rajasthan along with its finance business.

**SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

The Company has two primary segments for revenue generation - finance & wind power generation.

**OPPORTUNITIES, RISKS, & CONCERNS:**

According to the management, the company has been financing reliable & loyal clients who have good potential to generate returns. And with respect to the windmill unit, the company is supplying the power generated to Rajasthan Power Procurement Corporation (RPPC), which is a Government corporation, & has a lower risk of any default. The generated power is supplied under a signed agreement, to counter any risk of default.

Further, there is a general concern regarding the interest rate fluctuations, fiscal & monetary policies, which might affect the profitability of the company. However your company remains upbeat about the India economic growth, especially the finance sector. The company will anticipate & counter the economic fluctuations to the best of its capacity.

The company in such a business always faces the risk of default or non-payment. The company so far has managed to keep its NPA at zero, and will work to keep it that way. Your company will continue to adopt strategies to register significant increase in business volumes.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The company has a proper independent and adequate system of internal controls to ensure that all the assets are protected against loss from unauthorized use or unauthorized disposal, and such transactions are properly authorized, recorded and reported correctly. The internal controls systems are designed in such a way to ensure that financial and other records are reliable for reporting financial statements and other data and for safeguarding assets.

**MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.**

The company maintained cordial industrial relations during the year.

**CAUTIONARY STATEMENT:**

The statements made and figures given in various sections of "Management Discussion and Analysis" are keeping in mind the Company's objectives, estimates and expectation. The actual results may differ from those expected depending upon the economic conditions, change in Govt. Regulations, and amendments in tax laws and other internal and external factors.
