DIVIDEND

Out of the Profits of the financial year under review, your Directors are pleased to recommend, for your approval, payment of Dividend at the rate of 15% (Tax Free) for the year ended 31st March, 1998 (previous year 26% (Tax Free) which if approved by Shareholders, will absorb Rs.1.75 Crore (Previous Year Rs.3.03 Crores). Total out go will be Rs.1.92 Crore including payment of tax @ 10% on the said dividend amount.

OPERATIONS

The Financial Year under review has been affected on account of recessionary trend prevailing in the real estate market since last over two years, besides the crisis in the overall Indian economy as also almost in all the South Asian countries.

Although sales and other income for the year under review has recorded growth of 11.70% to Rs. 178.36 crores as compared to the figure of Rs. 159.67 crores in the last year, the gross profit (profit

ANSAL PROPERTIES & INDUSTRIES LTD.

before interest and depreciation) is lower by 10.97% from Rs. 48.49 crores during the previous year to Rs. 43.17 crores during the year. Due to reduction in gross profit, the profit after tax has also gone down to Rs. 7.11 crores as against Rs.14.64 crores in the corresponding previous year. The reduction in the profits is mainly on account of corresponding reduction in the sale value of some of the properties sold/booked in the last two years because of prevailing sluggish real estate market.

Out of the disposable surplus of Rs. 8.79 crores a sum of Rs. 5.50 crores has been transferred to General Reserves. Networth of the Company stood at Rs. 94.41 crores improving upon the figure of previous year of Rs. 90.15 crores.

During the year under report, your Company has completed successfully a few projects and offered possession of "Composite Towers", "Executive Homes" and several residential plots/built up houses and other properties in Palam Vihar and Sushant Lok, the ongoing prestigious township projects.

The Company has launched during the year under review "Celebrity Suites", "Sushant Homes", "Group Housing Scheme" in Sushant Lok and Palam Vihar township projects, having the aggregate sale value of over Rs. 150 crores. The Company has successfully booked most of the properties under these schemes in spite of difficult market conditions.

PROSPECTS & OUTLOOK

The Government has announced various measures to boost housing sector which not only will improve National Housing Stock but also provide various fresh avenues to add to the tally of projects in hand and under execution of your Company.

Barring unforeseen circumstances in the current year (1999), your Company expects to sustain impressive all round performance, higher growth and hopes to achieve better results.
