#### 3. **DIVIDEND**

You will observe from the financial results of the Company that it has suffered a net loss for the year ended 31st March, 1998, and there is no surplus in the Profit & Loss Account for distribution as dividend to the shareholders. The Directors of your Company, therefore, have decided not to recommend any dividend for the year under consideration.

#### 4. TURNOVER AND PROFITS

Your Company during the year under consideration has registered a turnover of Rs.2071.61 lacs as against Rs.2851.26 lacs in the previous year. During the current year, sale of paper and shares has reduced from 1662.81 lacs to Rs.1269.76 lacs. The lease income during the current year amounts to Rs.612.92 lacs and is less than the income generated during the last year. The hire charges are Rs.45.82 lacs and are almost similar as earned during the previous year. The overall reduction in the income is due to sluggish market conditions and recessionary trends prevailing in the whole of South East Asia. Further, the Company has also reduced its business of financing and is concentrating on consolidating itself. The other efforts are towards recovery of past dues from the lessees and once achieved it will give sufficient leverage to enhance its business with its own funds.

#### 5. FINANCE

As mentioned in the last year's Directors' Report, the availability of finances to the non-banking financial companies has been affected substantially. This situation has been further aggravated with non-payment of deposits by few companies. The RBI has also tightened its norms for borrowing by NBF's and virtually no money is available to finance

ARAVALI SECURITIES & FINANCE LIMITED

companies. The banks which extended credit limits to your Company have reduced the limits inspite of your Company's good record. The deposits which have been another source of finance for your Company are being constantly withdrawn by the depositors due to lack of confidence in the NBFCs. The collection of lease rentals has also become difficult due to recessionary trends in the economy. Your Company alongwith other NBFCs is facing a financial crunch which in turn is affecting its business. The Board of your Company feels that this scenario will not last for long and your Company once again will have sufficient finance to work normally. Further, it is expected that the government will take some constructive steps for revival of the financial sector.

At the close of the Financial Year 1997-98, the Company has 80 fixed deposits amounting to Rs. 26,85,000/= which have matured for repayment but remained unclaimed or for which the Company has not received any instruction for disposal from the depositors on or before 31.3.1998 (60 deposits amounting to Rs.24,67,000/= have since been repaid or renewed). The Company has intimated to the respective depositors through letters about the maturity of their fixed deposits and has sought their instructions on the same.

#### 6. DIRECTORS

In accordance with the provisions of the Companies Act 1956 and Articles of Association of the Company, Mr Vijay Sachdev, Director, being the longest in the office will retire by rotation and being eligible, offers himself for re-appointment. Since last Annual General Meeting, Sh. Mahendra Kumar Modi & Sh. Vikram Somany, Directors of the Company has resigned from the Directorship due to their pre-occupation. The Board of Directors put on record their appriciation for valuable services rendered by them during their tenure of Directorship.
