MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL REVIEW:

Your company has earned a profit during the year under consideration of Rs.83.00 lacs after depreciation, interest and taxes.

Gross income / sales during the financial year 2004-2005 has reduced to Rs.1533.44 Lacs. The decrease is mainly on account of reduced activities in paper trading.

Your company's secured borrowing has been repaid except an amount payable to SBI Commercial and International Bank Ltd. who has filed a case against the company before Debt Recovery Tribunal Mumbai and which is being contested.

RESOURCES AND LIQUIDITY :

The company during the year under consideration has not raised any secured funds from any bank, financial institutions or through Fixed Deposits. However, it has raised un-secured loans from limited companies for meeting its fund requirements.

INDUSTRY STRUCTURE AND DEVELOPMENTS :

Due to increased competition and availability of funds from the banking sector, the non-banking financial industry has suffered a set back except the housing finance companies. Most of the NBFC either has merged with the industrial companies or are making efforts to diversify in other service sectors.

The Govt. of India now has allowed 100% foreign direct investment in NBFC which is a major boost to the industry. Due to this factor the revival of majority of good NBFC is possible as the finance will be available at a cheaper rate than as prevailing in our country.

BUSINESS REVIEW :

Due to losses suffered in the past, your company is not doing any new leasing and hire purchase business. The trading business has been carried on but your company is not generating sufficient revenues to suffice the needs of your company and shareholders. Your company is not entering in any new field of business at present and is continuing to put more stress on the recoveries of dues. The company is considering to sell off its Non-Performing Account to one of the asset recovery company so that the part of the amount due on NPA's can be recovered.

OPPORTUNITIES :

The change in Indian Economy outlook and the keen interest shown by foreign investors to invest in India, the country's economy is looking for a fast growth of industrial sector as well as infrastructure. With the growth of these sectors the service industry is bound to progress. Opening of foreign direct investment upto 100% in NBFC Sector is also bound to increase the scope of various opportunities for the said companies. It's impact is yet not known but, if we look at the other developed countries than the role of NBFC is bound to increase substantially.

CHALLENGES :

As normal with every company, your company also face competition in its business. The biggest competition is from the banks who have low cost funds available to them to meet their requirement.

Your company's decision to work with its own fund will reduce the cost of borrowing and make it competitive to meet the challenge forced by the banking sector.

OUTLOOK :

Your company is still in the process of consolidation and has not decided to enter into new field. However, the various business opportunities are being analysed. It is also being analysed to have a foreign collaboration with some internationally reputed NBFC which is looking to expand their business in India. Barring unforeseen circumstances your directors hope to do better in the near future.

RISK AND CONCERNS :

Your company at present is exposed to the normal industry risk factor of volatility in interest rate, economic cycle and credit risk. The non receipt of lease rental and hire purchase charges is a major area of concern. Since the company has reduced its leasing and hire purchase activities, the risk of recovery has reduced. In the consolidation process, your company is negotiating for entering into arrangement to recover its lease rental and hire purchase charges from its clients. However, any arrangement will not affect the company's Balance Sheet as the provision for losses on the same has already been provided for in the previous years in accordance with RBI Prudential norms.

ADEQUACY OF INTERNAL CONTROL :

The established Internal Control Systems of your company are adequate to ensure that all the activities are monitored and controlled against any misuse or misappropriation of asset and that the transactions are authorized, recorded and reported correctly. More so, these internal control systems are regularly monitored by the audit committee of your company and are improved upon on regular basis.

HUMAN RESOURCE DEVELOPMENT:

The team of experienced industry professionals depart regular training to the employees of the company.

FIXED DEPOSITS :

Your company does not accept fixed deposits from public and to this effect an undertaking is given to the Reserve Bank of India. However, the company has four unclaimed deposits amounting to Rs.65,000/= of the past. The company has sent the intimation to the said depositors at their addresses available with the company but no response has been received from them till date. The said unclaimed deposits amount alongwith interest has been kept in the fixed deposit escrow account with the scheduled bank.

DIRECTORS AND MANAGING DIRECTOR :

Shri Naresh Magoo, the director of the company is liable to retire by rotation and not being eligible to be reappointed as per the provisions of the Companies Act is not considered for re-appointment.

Shri Dinesh Kumar Birla, Shri R. A. Kila and Shri Hardev Singh were appointed as additional directors who hold office upto the ensuing Annual General Meeting. Notices have been received from the shareholders specifying their intention proposing their candidature for the office of directors. The said persons are eligible for re-appointment as directors of the company. Your directors recommend their re-appointment. The information required to be furnished under Clause 49 (VI) of the listing agreement in respect of the said directors is enclosed as annexure to this report.

As per requirement of Section 269 of the Companies Act, 1956, your company is required to appoint a managing director. It was decided by the board of directors in their meeting held on 25.7.2005 that Shri Ranjan Kumar Poddar be recommended to the general body for his appointment as managing director without payment of any remuneration except sitting fee for attending meeting of the board of directors. You are requested to consider the said resolution for approval with or without modification.
