MANAGEMENT DISCUSSION AND ANALYSIS REPORT**Overview**

Your Company is leading manufacturer, supplier and exporters of woven and printed labels. Labels are used in ready-made garments, hosiery, shoes, bridges, Terry Towels and Leather Garments. They provide brand, size, country of origin, care and content information for consumers and tracking information for retailers. Most of the company's customers are retailers, branded apparel entities or contract manufacturers.

Industry Structure

The Indian Textile Industry is one of the largest and oldest sectors in the country and among the most important in the economy in terms of output, investment and employment. Your Company is engaged in supplying accessories to Garment manufactures a segment of textile industry.

Opportunities, Threats, Risks and concerns

The Indian Label Industry is now firmly in the fast growth path. With ballooning Indian Retail Market, the demand for labels is increasing day by day. Most of the customers have become brand conscious and are demanding globally acceptable high quality labels. By the changing trend, the expectations are very high with bright prospects and there is need to capitalize the new emerging opportunities.

Seeing the increasing margin, new global players have opened their offices in India and host of small manufac-

turers had entered the market at the cost of quality products. Entry of International players with a change in consumer behaviour are forcing Indian Label Manufacturers to modernize their products & understand the importance of labels to be produced locally and expect the same quality & service standards available in developed countries. Further, the fluctuation in exchange rates is also affecting the business. Your Company is facing stiff competition in the market.

However, with strong and experienced production and marketing team along with officers at various part of India, the Company has achieved sufficient capability and resources. Further, foreseeing the demand of the market, the Company had increased the capacity by adding few more imported looms and machineries to its production unit.

Outlook

The Company continues to be a market leader in developing and providing products and solutions that add significant value for its customers both in brand building and information services. The Company strives to maintain its lowest-cost producer profile; it is also fully committed to providing its customers with products that are supported with exceptional service and quality. With continuous investment in new product developments, new and update machinery and technology and innovative sales and marketing initiative, the management

Arex Industries Ltd.

believes that it is well positioned to compete successfully as provider of innovative brand identification solutions to the retail and apparel industry world wide.

Internal Control Systems

The Company has put in place a system of internal controls and checks which are supplemented by regular internal audit procedure commensurate with the size of its business and nature of its operations. The Audit Committee of the Board meets at regular intervals and actively reviews the internal control systems. Suitable corrective actions are initiated whenever necessary.

Review of Financial Performance

The Company's performance has been satisfying. The gross revenue for the year was Rs. 14.22 Crores resulting a gross profit of Rs.4.38 Crores for the year under review. The Directors recommended a dividend of Rs.0.90 per equity share for the year ended on 31st March, 2007. Your Directors are hopeful for better results for the years to come.

Human Resources

As on 31st March, 2007, 168 personnel were working with the Company at its factory and various Customer Service Centers at various places. The relations between the employees and the management remained cordial throughout the year under review.
