The Issued & Subscribed Capital as on same date was Rs. 53,11,74,250 divided into 5,31,17,425 equity shares of Rs 10/- each. Calls in arrears were Rs. 56.17 lacs. Paid up capital as on 31st March, 2018 remained Rs.5255.57 lacs. During the year under review the Authorized, Issued, Subscribed and Paid up Capital of the Company remained unchanged.

3. DIVIDEND :

Your Directors place on record their deep sense of concern that the Company could not pay any dividend for so many years due to its sickness & continuing losses. However the Board of Directors take great sense of pleasure in informing the members that Company has come out of losses. Though the Company has earned profits during the year but is not in the position to declare dividend for this year, in view of insufficiency of profits.

4. OPERATION/ STATE OF COMPANY'S AFFAIRS :

Company's division at Mathura undertakes work for both Indian Projects and Export oriented projects in several industrial sectors such as Power, Sugar, Cement, Railways, Refinery & Petro Chemical etc. The company has recently collaborated with some leading technological companies such as Beijing SPC Environment Protection Tech Co. Ltd of China for Desulphurisation (FGD) and DeNox system for power plants and have already submitted bids for same and also supported other companies in this field where permitted.

The Company has been registered with RDSO (Railways) for supply of steel bridge girders in all rail divisions. It has also started process of registration with Railway Coach Factories for component fabrication. Your Company has also applied for registration with PDIL, EIL and TOYO.

Company is receiving enquiries from companies like Doosan, Hyundai, BGR Energy, Toshiba, Ultratech Cement for fabrication work in respect of power plants and cement plants. Meanwhile discussions are continuing with some other Chinese majors like, SEPCO1 Engineering Pvt Ltd, and Feida India Pvt.Ltd., both leading Chinese EPC Companies for Supplying fabricated equipment for their Indian projects.

Approval and registration of your Company by Construction Industry Development Council is a testimony of its acceptance as key player in Indian Infrastructure Industry.

The company is not only protecting its traditional order base; but also exploring new areas for expanding the business manifold.

Company has received the last No Dues Certificate from SASF, hence, collected all 28 No Dues Certificate from all the lenders and have vacated / satisfied the charge of all secured lenders on the properties of the company. Further, corporate guarantees of group companies and personal guarantees of promoters/directors have also been discharged by the lenders.

This is to further inform that Company filed a application u/s 119 (2) (a) (b) of the Income Tax Act before Central Board of Direct Taxes and claimed allowance of carried forward unabsorbed losses amounting to Rs. 159.87 crores for further period of eight (8) succeeding years.

5. BUSINESS OUTLOOK :

The strategy of Government of India and the State Governments for major investment on infrastructure projects and 'make in India' campaign for manufacturing has opened big opportunity for your company, as in each such project there is requirement of heavy and sophisticated fabrication work. Your company has also recently embarked upon some addition of critical machinery in the factory with investment of nearby Rs. 75 lacs. This addition will streamline the capacity of the workshop to undertake heavy railway bridge girder fabrication.

The Company's recent successes in new business and future outlook may be seen as under.

Railways:

- After acquiring the approval of RDSO for fabrication of Heavy Steel Girder railway bridges, the company is under Negotiations with several other companies for fabrication of bridges.
- We expect the business will soon reach a level of 1000 tonnes per month filling a large part of the shop's heavy fabrication facility.
- Further your company has initiated registration with Rail Coach factory in Kapurthala for fabrication and supply of several components required for coach manufacturing.

Railway Electric Transmission Sector:

Indian Railways has taken on priority the electrification of all its tracks (nearly 65000 kms now), of which about 36000 km is un-electrified, which will be electrified by 2021. Your company has taken steps to register itself for manufacturing of fabricated MAST for transmission lines. Approx. total value for electrification will be exceed Rs.35000 crore, of which major components will be for 'Mast' supply.

New Refining and Modernization:

It is well known that investment to the tune of US\$ 300 Billion (over Rs 20 lac crore) will be made in next 10 years to double Indian refinery capacity. Particular to your company's interest is the announced revamps of 2 units in Mathura, the Rs. 45000 crore Barmer refineries in Rajasthan, and Rs. 15000 Crore. Vadodara Refinery expansion, all of which are within the close vicinity of your Mathura factory.

With ATV's core strength in fabrication of pressure vessels, reactors, distillation columns, desalters, heat ex-changers, towers, horton-spheres etc. major orders from refinery & petrochemical, green field & brown field projects are expected.

New Collaboration:

Your company has also embarked upon negotiation for technology up gradation for some of its existing collaboration agreements and with new partners for latest state of the art technology in several fields, such as, high pressure boilers, flue gas DeSOx plants etc.

In this business environment, we see continuous increase in business turnover of your company in next 10 years.

6. POSTAL BALLOT :

Members are apprised that the Company obtained approval from shareholders as special resolutions through Postal Ballot system in the month of November - December 2017 as under:-

Sale of land and building and other miscellaneous assets of TPE Plant situated at Nagothane which is idle for last two decades.

Subject to confirmation of the Hon'ble National Company Law Tribunal, Mumbai/ Regional Director of Companies and/or any other appropriate authorities, if any

- (1) Reduction of Share Capital by way of adjustment of accumulated losses in profit and loss and calls in arrears with Securities premium account.
- (2) Reduction of share capital by way of adjustment of calls in arrears against securities premium account and.

Due to accumulated losses appeared in the accounts Company is unable to raise any finance either from the capital markets or financial institutions in the form of equity or debt to undertake business activities on a larger scale. Further, the Calls in Arrears of Rs. 56.17 Lakh pertaining to certain old balances in the share capital, in absence of complete record the company is unable to reconcile it, therefore resulting in the effective paid up capital being reduced to that extent. The proposed Scheme would enable the Company to show the actual financial position in its balance sheet to reflect the true value of net worth corresponding to assets which in turn will enable it to approach for financial assistances in order to develop its business and thereby increase its net worth to enhance the stakeholders' value.

This is further informed that the company has borrowed Rs.120.72 crores from strategic investors to repay its secured loan under OTS. To repay the above said liability the board has discarded and sold its TPE Plant situated at Nagothane as scrap. Further, through Postal Ballot Company has obtained approval from Shareholders by way of Special Resolutions for sale of unutilized and unproductive Land and Building and miscellaneous assets of TPE Plant which was idle for last two decades.

7. SHIFTING OF REGISTERED OFFICE :
