ON A FOREVER JOURNEY

Mindset Opportunity Approach

Building a 'Forever Bank' requires a leadership mindset, identifying opportunities, and mapping the approach for creating impact. And then repeating it all over again with an innovative mindset, newer opportunities and calibrated approach. Much like a Möbius strip, continuous interconnectivity is our approach to banking. It represents an endless cycle of growth and improvement.

We strive to innovate, adapt, and evolve to cater to our customers' ever-changing needs. We are on a Forever journey to build a Bank that not only meets present requirements but is also capable of serving future generations.

6 years of banking

YEARS OF BUILDING TRUST

With over nearly three decades of experience, first as a NBFC and then as a Bank, we have continuously advanced in our mission to transform into a sustainable, technology-driven, and customer-centric bank. Our unwavering focus on the unserved and underserved retail segment. along with our portfolio of secure lending products, has significantly contributed to the sustainable growth of our balance sheet and rural economies, thereby making a positive impact on the overall economic growth and Empowering India's 'Bharat'.

We are profoundly grateful to the Government of India, the Reserve Bank of India, all regulatory bodies, our esteemed customers, loyal investors, dedicated employees, and all stakeholders for their unwavering trust in AU Small Finance Bank. This

trust is the cornerstone of our success, and it motivates us to persistently strive for excellence in everything we do.

As we reflect on our journey, we recognise that building trust is not merely a goal but a continuous process. It is the foundation upon which we have built enduring relationships with our stakeholders, enabling us to weather uncertainties and emerge stronger. We remain steadfast in our commitment to transparency. integrity, governance, and responsible banking practices. We are proud of our 28-year journey of building trust and the progress we have made in our pursuit of sustainability, technological innovation, and retail focus, and we will be focused on doing so for generations to come.

ON A FOREVER JOURNEY

AU Small Finance Bank Limited (AU SFB) is on a 'Forever Journey', committed to building a resilient and sustainable institution that embraces growth and adapts to challenges. Our retail-focused strategy has established a stable deposit franchise while utilising data and analytics to offer inclusive access to financial solutions through secured lending products.

A continuation of our approach of having our 'eyes on the horizon, and ear to the ground', our theme for this year's Annual Report depicts our ideology of building a bank which can last forever. Staying grounded on our fundamentals, we aim to create a foundation and a legacy, through a sustainable business model and robust governance, which will lead us to have generational success and prosperity.

A 'Forever Bank' is akin to a Möbius strip, being in a continual journey. Laying the foundation for a bank that can last forever begins with identifying the right **mindset**, **opportunity**, and **approach**.

A 'FOREVER BANK' NEEDS A FOREVER MINDSET

As a 'Forever Bank', our mindset to build goes beyond stability and growth, requiring a forward-thinking and innovative approach. Embracing change, seeking opportunities, and anticipating customer needs set us apart in the banking landscape.

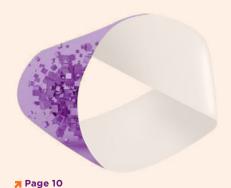

OPPORTUNITIES AS A FOREVER BANK With a vision to bring efficiency in the intermediation between

SEIZING

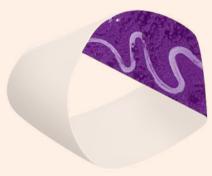

With a vision to bring efficiency in the intermediation between borrowers and savers, we need to extend our services to every customer segment and we wholeheartedly embrace the immense possibilities offered by the burgeoning Indian economy.

THE KEY TO OUR FOREVER BANKING APPROACH

Our pursuit of becoming a 'Forever Bank' requires balancing traditional values with modern advancements. We seize opportunities in emerging markets and leverage technology to provide seamless and personalised experiences, fostering long-term success and lasting customer relationships.

About the Report

This is AU Small Finance Bank's (AU SFB) third Integrated Report prepared in accordance with the International Integrated Reporting <IR> framework. It provides our stakeholders with a concise and fair assessment of our ability to use our experience and expertise to create sustainable value.

Reporting Period

The Report covers the period between April 1, 2022 and March 31, 2023. This Report provides material information relating to our strategy and business model, operating context, material risks, stakeholder interests, performance, prospects, and governance.

Reporting Boundary

The Report covers the Bank's primary activities across all operating geographies, operations, business segments and key support functions.

Financial and Non-financial Reporting

The Report provides details of both financial and non-financial performance, strategic priorities, opportunities, risks, and outcomes attributable to or associated with our key stakeholders, which have a significant impact on our ability to create value.

Materiality

Our material issues are most important to us, and our stakeholders have an impact on our ability to create value. These topics are influenced by the economic, social, and environmental context in which we operate. The information in this Report has been identified and consolidated after a detailed review of the issues most material to us.

Target Audience

This Report is primarily intended to address the information requirements of our providers of financial capital, i.e., investors (existing and prospective) and also covers information relevant to other key stakeholders.

Framework, Guidelines, and Standards

This Report has been prepared in accordance with the below principles and guidelines:

- <IR> framework of the IFRS Foundation
- The Companies Act, 2013 (and the rules made thereunder)
- · Accounting Standards
- Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- Secretarial Standards issued by the Institute of Company Secretaries of India

Responsibility Statement

Our Management acknowledges the integrity of this Integrated Report, which, in their opinion, addresses all the issues that are material to AU SFB's ability to create value, and presents integrated performance in a fair manner. Our Management

confirms that this report presents a balanced and transparent account of Your Bank's value-creation story.

Transparency and **Enhanced Disclosures**

The Bank has a comprehensive transparent reporting approach, demonstrating our unwavering dedication to providing the stakeholders with a transparent and holistic view of our performance and progress.
