COVER PAGE- CONCEPT

The Cover of 12th Annual Report was developed by “**Nirmita**” a newly formed Industrial and Automotive design studio at Autoline Design center in Pune.

The cover page graphics symbolizes the dynamism of your Company in the market place and the traction that it is receiving to its ongoing evolution of service offering to its customer base. The inspiration has been taken from **Snail** which has golden proportion. The design emphasizes Autoline's core business focus on automotive industry depicted here by the **spinning wheel**.

The whirling vortex depicts consolidation of different disciplines like Styling / Innovation / Engineering / Mockup / Manufacturing which are core area of expertise that are being seamlessly integrated to provide complete service solution to your Customers.

The sparks on the roads depict how this enhanced integration of service is proving to be rewarding to bottom line by providing increased traction for your Company in this competitive market environment.

The Direction of the **Spin** and the **Spark** also illustrates how your Company is accelerating into the future.

The open ended funnel of the Vortex depicts organizational vision to continue to be innovation driven and explore other areas of opportunities in future that can expand to offer greater values to its customers.
