MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE, SCENARIO & DEVELOPMENT

Clothing demand in India is growing at a CAGR of around 3% for the last 10 years. Share of Man Made Fiber (MMF) in the clothing consumption has been increasing over the years. The share of MMF increased to 42% in 2003-04 from 23% in 1990-1991. This was mainly due to the increased price competitiveness of Polyester over cotton.

Domestic Polyester Feed stock prices remain competitive in spite of higher crude prices due to poor Polyester demand. However, reduced excise duty on Man Made Fibre in union budget 2006-07 can lead to lower market prices, improving domestic demand for Man Made Fibre. There were reductions in Custom duties as well. All such duty reductions can lead to a better consumption of polyester filaments yarns in near future. Further, VAT has been implemented in most of the states, leading to a level playing field for Industry.

Currently, China has 39% share of world polyester fiber/filament yarn production capacity. Against this, India has around 2.2 MMT/annum production capacities for Polyester Fibre/Filament yarns, which is at about 6% of the world capacity. By the end of 2006-07, there will be additional capacity of 1.5 MMT in India. With this, the total capacity will reach around 3.7 – 4 MMT. It is further expected to reach 5 MMT by 2010-11 (around 10-11% of world capacity). Demand for Polyester filament in India is growing at the rate of 10%pa, at this rate; this excess capacity getting commissioned by next year, will get absorbed in 2-3 years time.

OPPORTUNITY AND THREATS

Various new small sized plants have also commenced production of Specialty yarns, which can create competition to company's product line. The new capacity of Dope Dyed FDY in India is likely to put pressure on prices for local as well as exports.

Currently, Anti Dumping Duty on POY & FDY is under review. If Anti Dumping Duty is applied on POY & FDY, it can tilt the local demand towards domestic consumption rather than imports.

As the Excise duty on Chips was made 16% on Polyester chips and 8% on yarn, this can lead to a balance of unutilized Excise duty due to higher duty on input and lower value additions at the yarn stage.

On the Export front, there is a tough competition from China in most of the markets. Yet, focus of export has been made on Specialty products so that the volumes can be maintained. Our focus area in export has been Package Dyed Yarns, where our volumes have grown significantly.

PRODUCT WISE PERFORMANCE

Company was able to match 95% efficiency in Spinning (95% in 2004-05) and 82% efficiency in Texturising

(83% in 2004-05). Further, to offset the pressure of competition from new players, company is focusing on New Specialty products like SD Dope Dyed yarns, Easy Dyeable yarns, Mono Tex, Nylon6,6 Dyed, Embroidery yarns & Sewing Threads.

The Company's sound business strategies, concentration on Specialty yarns, high quality and constant development of new products will continue to strengthen its position in domestic as well as international market.

OUTLOOK

With expected growth in Industrial, Agriculture and Service sector, overall demand as well as per capita textiles consumption is likely to be improved. Further rationalization in excise structure can improve the profitability of the Company.

RISKS & CONCERNS

Prices of raw materials fluctuate due to high volatility in Crude oil prices. Further, additional capacities in the industry cause pressure on sales and margins.

However, the company expects to mitigate the impact of risks and concerns since the company concentrates on Specialty yarns, High quality and development of new products constantly.

ADEQUACY OF INTERNAL CONTROL SYSTEM

Welspun has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition and that transactions are authorised, recorded and reported correctly.

The Company has internal audit system, which covers cost saving aspects, system and procedure improvement. Such reports are regularly reviewed by the management and corrective measures are timely taken for improving efficiency.

DISCUSSION ON FINANCIAL PERFORMANCE

During the year, sales and services were of Rs.26713.41 lacs as against Rs.26247.63 lacs in the previous year. The Company has earned net profit of Rs.526.93 lacs as against net profit of Rs.24.25 lacs during the previous year.

HUMAN RESOURCES

During the year under review, your Company continued its concern for development of its personnel through various training programmes. Besides, Management has laid special emphasis on strengthening HR activities for all levels in the Organisation.

Industrial relations during the year were cordial.

INSURANCE:

Welspun has insured its assets and operations against a wide range of risks as part of its overall risk management strategies.

WELSPUN SYNTEX LIMITED**AUDITORS' REPORT**

To,
The Members of
WELSPUN SYNTEX LIMITED

1. We have audited the attached balance sheet of Welspun Syntex Limited as at 31st March 2006 and also the profit and loss account and the cash flow statement for the year ended on that date, annexed thereto. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section 4(A) of section 227 of the Companies Act, 1956, we annex hereto a statement on the matters specified in paragraphs 4 and 5 of the said order.
4. Further to our comments in the Annexure referred to in Paragraph (3) above, we report that:
 - (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (ii) In our opinion, proper books of Accounts as required by law have been kept by the company, so far as appears from our examination of books.
 - (iii) The balance sheet, profit and loss account and cash flow statement dealt with by this report are in agreement with the books of account;
 - (iv) In our opinion, the balance sheet, profit and loss account and cash flow statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act 1956
 - (v) On the basis of written representations received from the directors, as on 31st March 2006 and taken on record by the board of directors, we report that none of the directors is disqualified as on 31st March 2006 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956;
 - (vi) In our opinion and to the best of our information and according to the explanations given to us, the said accounts subject to, *Note no. 9 regarding Freehold Land and Buildings of Rs.380.78 lacs for which the company holds no title, and read with the significant accounting policies and other notes thereon as per schedule 18, give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:*

- (a) in the case of the balance sheet, of the state of affairs of the company as at 31st March 2006;
- (b) in the case of the profit and loss account, of the profit for the year ended on that date; and
