Review of Performance

During the year under review the Indian Economy has passed through a continued slow down of growth rates, overall runaway inflation, high interest rates, falling industrial output, depreciating rupee and last but not the least the global uncertainty causing reduction in Export Orders severely hurting the economic activities. This had a major adverse impact on the expansion programme of the company.

Inspite of so many obstacles, your directors with the support of its Management team and other stakeholders of the company succeeded in steering the company to a commendable performance of the company as compared to the last financial year.

The company reported income from operation amounting to ` 96.60 crores during the year under review as compared to ` 89.04 Crores during the previous year, that is a growth of 8.5% which is more than the average growth rate of the country. The net profit after Tax during the year ended 31st March, 2013 was ` 1.53 Crores as against ` 1.48 Crores in the previous year inspite of alround increase in cost of operation caused by galloping inflation in the country.

DIVIDEND

Your Directors have recommended a dividend of 15% on equity shares i.e. ` 1.50 per share which together with dividend tax is expected to absorb ` 0.44 Crores.

ANNEXURE - 'A'**MANAGEMENT DISCUSSION AND ANALYSIS**

The Management Discussion and Analysis has been included in the Directors Report in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India (SEBI). The Report herein presents a brief discussion on the Industry structure and Development, Company's Performance and outlook, SWOT analysis, Internal control systems and their adequacy, financial performance and Human Resource Development. This discussion is based on the assessment of the current environment which may vary due to future economic and other developments in the universal arena.

INDUSTRY STRUCTURE AND DEVELOPMENT

Industrial Safety measures has been made mandatory all over the world; And as part of the Industrial safety measures different variants of Industrial Gloves and other safety gears are in increasing demands corresponding to further increases in Industrial activities across the world. On the other hand, increased cost of production in the Industrialised Developed countries of West, have resulted to close their own production units for safety gears in favour of job outsourcing to low cost

PERSONNEL AND INDUSTRIAL RELATION

All along, the Company maintained a cordial and harmonious relationship with its employees at all level. Your directors put on record their appreciation of the hard work and efficiency of its employees which enabled the Company to achieve its objectives.

CAUTIONARY STATEMENT

The statements made in this report describing Company's estimates, expectations or predictions may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that would make a difference to the Company's operations include demand supply conditions, raw material prices, changes in Government regulations, tax regimes, economic developments of the country and other factors like litigations and labour negotiations, etc.

CONCLUSION

Your Directors place on record their appreciation of the co-operation and support received from investors, customers, shareholders, bankers, vendors and statutory and Regulatory Authorities. Your Directors also thank the employees for their significant contribution in Company's performance. Your Directors now look forward to the future with confidence and optimism.

Dated : The 30th day of May 2013

Developing countries like India and other countries of the East with a view to cut down their own cost without compromising with the safety requirements. In this arena India with its abundant supply of raw materials and cheap labour associated with most advanced Technology and expertise occupies comparatively favoured position. Added to this the recent steps taken in liberalizing the Indian economy and overall improvement in business environment and a steady improvement in infrastructure developments across the country has given a positive impact to the growth of all types of business and manufacturing activities and export promotions.

Under this background, the future of production and Export of Industrial Safety Gloves in the country is extremely bright and in this arena 'Acknit' enjoys a privileged position because of its maintenance of Quality Standard conforming to ISO 9001-2008 and strict adherence to time schedules at the most competitive price over the decades.

COMPANY'S PERFORMANCE & OUTLOOK

Your company's products cover wide range of Industrial safety requirements with different types of coatings, dottings, rubberized and of such materials as per specific requirements of the consumers. The company's products have received wide acceptance across the world and your company is flooded with

various trade enquiries from various types of Industries of the Developed countries. The booming Indian economy, the growth in infrastructure facilities and added to it the increased amount of Industrial Investments in the country has added to the growing needs of safety gears directly in conformity with the increasing pollution control measures. Your Company's products are well established in the market and its brand name 'Acknit' has a substantial recall value creating an edge over other competitors.

There had been an all round increase in production during the year under review, the inflationary trend in Indian Economy and with continued fluctuation of Indian currency as against US Dollars and Euros resulted in a favourable impact on your company's turnover. On the other hand, the Indian Economic because of its failure to maintain its progress in every directions has lost its competitive position amongst the fastest growing economic of the present day world. However, the International connections and Economic interactions would not allow the Indian Economy to be quarantined against the recessionary effect of the global Economy.

In spite of all such restraints the demand for Industrial Safety can not be compromised at any cost. International demand for Industrial safety wears will continue increasing directly in proportion to increased activities in Industrial restructuring efforts in the west. 'Acknit' being exclusively engaged in the production and supply of Industrial Safety wears, its activities are directly responsive to Industrial Activities of Developed countries.

The strength of the brand name 'Acknit', the enhanced product range, excellent distribution network and market relations, projected booming conditions after the anticipated by-gone recession in European market- all these factors are expected to act as synergies having potential propelling the workings of your company in the immediate future.

SWOT ANALYSIS

1. Strengths

- Your Company has most strategically located production units having varied and advanced Technologies and sophisticated Machineries installed adequately;
- Your company's products having been well established in the market over the years with commandable reputation, further increases in sales is foreseen;
- Your company has an excellent customer base with efficient Distribution network supplemented by continued liaison.;
- Maintenance of Quality Standard confirming to ISO 9001-2008 and strict adherence to supply schedules at the most competitive price are the basic strength of your company.

2. Weakness

- Your company being basically a Export Unit is dependant on the inflow of Export orders which has become subjected to increased propagation against outsourcing by the European union may cause concern for the Future
- The profitability is generally dependant on the Government policy decision particularly with reference to GATT and WTO resolutions.

- Increasing trend of price war introduced by the new entrants in the market from other low cost Asian Countries may cause ultimate concern in the future.

3. Opportunities

- Due to expansion of manufacturing base and development of Diverse types of protective safetywears as per the customers requirements and industrial safety specifications, substantial increase of demand for your company's products is foreseen.
- There are opportunities to explore geographical insights of the global market.
- There are opportunities to develop and increase Distribution network across the global markets in Developing countries.
- There are opportunities to increase sale of different range of products through tie ups with retail outlets and other brand owners of the West.

4. Threats

- Stiff competition from other low- cost countries of the East and the increasing price wars are continuously reducing the returns on sale;
- The unprecedented global recession caused substantial decrease in International demand which is, though, of temporary nature.
- Prolonged Financial crisis in European Countries causing fluctuations in Exchange rates have since been neutralized by the devaluation of Indian Currency.
- Propagation against outsourcing in the European Countries may cause further shrinkage in the demand for your company's products.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Your company has established a well defined organization structure having an extensive system of internal control to ensure optimum utilisation of resources, accurate reporting of financial transactions and strict compliance of applicable statutory laws and regulations at all times. Your company has adequate system to ensure that the assets of the company are safeguarded against loss from unauthorized use or depreciation and that all transactions are properly authorized, recorded and reported correctly.

An audit committee of the Board of Directors regularly reviews the audit plans, significant audit findings, adequacy of internal control, compliances with Applicable Accounting Standard and particularly reasons for changes in Accounting policies and practices, if any.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECTS TO OPERATIONAL PERFORMANCE.

The financial Statements have been prepared in compliance with the requirements of the Companies Act, 1956 and Generally Accepted Accounting Policies (GAAP) in India.

HUMAN RESOURCE DEVELOPMENT

Your Company is built around people. The Spirit of Trust, Transparency and Team Work has enabled your company to build a tradition and harmonious relation.

Your company has a systems of annual appraisal of its employees. It believes that in order to unleash 100% potential, it is necessary to empower Talent and prepare its people with the necessary skill to exploit their own potential. System of succession planning has commenced and it is expected to ensure that performances have a fast career growth.
