FINANCIAL:

In spite of the bearish trend prevailed in the capital and financial market through-out the year under review your company earned operating profit of Rs.38,72,561/- (before charging interest and depreciation) against the operating loss of Rs.24,51,954/- incurred in the previous year. The same was made possible by implementation of various cost-cutting measures by the management at all levels of management hierarchy. However the company incurred a net loss of Rs. 47,30,888 which is mainly on account of the extra ordinary items of SEBI Turnover Fees and deferred tax liability, being the liability of earlier years provided as per Accounting Standard 22 of the institute of Chartered Accountants of India applicable to your Company.

DIVIDEND:

In view of loss incurred by the company in the year under review your directors regret their inability to propose any dividend.

OPERATIONS:**Stock Broking Division:**

During the year under review, the performance of broking division was satisfactory as the company was able to improve the revenue from broking division inspite of bearish trend prevailing in the capital market.

The threat of market driven risks reduced substantially due to introduction of Rolling Settlement by the SEBI

Depository Division:

The operation during the year under review, of Depository Division was satisfactory, in spite of the fact that company is facing stiff competition from the well-established institutions and banks including other depositories. Due to the introduction of transaction based charges in place of value based charges by NSDL the receipts have been adversely affected. However, due to substantial increase in volume in depository, the company has been able to achieve the expected performance.

Action Financial Services (India) Ltd.

Further, during the year under review the company introduced new concept of issuing pre-paid instruction slips so as to over-come the difficulties of delay in collection of charges and prevent the likely bad debts. The said new system of issuing pre-paid instruction slips has been well received by the company's customers and the same has helped the company in saving on the collection cost substantially.
