MANAGEMENT DISCUSSION AND ANALYSIS

- Health Care Division Products The Health Care Industry is booming and in our estimate it will continue to grow rapidly in the coming years.
 - As a strategy, we have decided to aggressively market our Monitors and Sensors which have addressed the market requirement very well. While we will continue to market products of Audiology and Anesthesiology, our main focus area will continue to be Cardiology particularly Critical care products which are in high demand in most Hospitals.
- Bank Card Division We have test marketed over 1000 EDC Terminals to various customers / banks. Phoenix PX 9600 brand of Electronic Draft Capture Terminals for the Banking & Loyalty program market segment are fast gaining market acceptance.

- Customization to suit specific requirement of individual customers is being taken up. Projections for the next year is also very impressive, with many prominent Banks choosing our Terminals for automating electronic payments.
- Our high resolution thermal printer is also making inroads in various diverse applications. More than 1500 printers have found acceptance in Leading Banks. Driven by market demand, we will continue to focus on product differentiation and low cost leadership to create new markets and push growth.
- Strategic Electronic Division (SED) Working on two technology areas of GPS and EDA, the division has been offering state of art products and services. SED registered good growth during 2005-06 resulting in 48% growth in the bottom line of the division.
 - 2005-06 was another significant year in which few major business deals were initiated. SED won performance awards from some of its Principals like Cadence. New Products were added to almost all the groups and the infrastructure is being expanded to handle these new products. We have also started marketing high end VLSI products from Cadence, which will show results in the Current year.
 - Information Systems Division (ISD) With the IT industry seeing a renewed boost in growth, ISD has taken on the growth opportunities. We are now Authorised Business Partners of IBM and have an association with Microsoft. Our Association with Dell as a Local Service Provider for their entire range of products and with Acer as Professional Service Providers has seen encouraging growth.
 - With Intel as a Business Associate, we enjoy a reputation of Premier Third Party Maintenance Agency undertaking maintenance services for complete range of Intel based platform, peripherals etc. We also promote lomega range of backup products as Value Added Reseller of Iomega. These associations with leading players in the industry is adding to your Company's growth story.
- Internal Control System and Adequacy The Company has adequate internal control systems and procedures in all the areas of activity. Our activities are also subject to internal and external Audit. The internal control systems and procedures are commensurate and adequate with the size and nature of the business of the Company. Our Factory continues to enjoy ISO 9000 certification ensuring strict compliance of internal systems and procedures.
- Human Resources The Company considers its employees as valuable assets, and has adopted various HRD measures including proper appraisal of employees, placements, recognition, career growth, improvement of managerial and inter-personal skills through various training programs etc. The Company had 296 employees as at 31st March, 2006.
