2. BUSINESS PERFORMANCEThe Operation of paper factory at Bilaspur is under suspension since 6th October, 2010 because of pollution control issues. Efforts are being made to comply with the norms and alternate means are also explored to start the factory along with new paper mill and power plant. In view of future plans and valuation of fixed Assets of the company, no impairment of fixed assets is envisaged by the management.

3. FUTURE OUTLOOKBeing restricted by the Central Pollution Control Board's order the option of exploring other areas of business has always been in the mind of management till the restrictions are lifted. The company is constantly envisaging the avenues related to generation of energy from renewable resources.

4. DIVIDENDIn absence of any production activities no operational profit was generated for recommendation of dividend for the financial year ended 31st March, 2018.

5. SHARE CAPITALThe paid up Equity Share Capital as on March 31, 2018 was Rs.16.12 crores and Preference Share Capital is Rs. 31.97 Crores. During the year ended 31st March, 2018 the company has issued total 6,28,000 10% non-cumulative redeemable preference shares of Rs. 100 each on private placement basis as approved by the shareholders in the AGM held on 13th June, 2016 and on 10th July, 2017.

6. CREDIT FACILITIESThe Company has repaid all the Loans taken from Allahabad Bank during the F.Y. 2017-2018. The Company has not taken any further Secured Loans. The company is now a debt free company with no debts existing to Banks or Financial Institutions.

7. ECONOMIC SCENARIO AND OUTLOOKAs Financial Year 2017-18 (FY18) has drawn to a close, it is worth taking a look at India's economic performance over what has been quite an interesting period. While the first quarter of the year saw the impact of demonetisation settling down, in the next quarter, introduction of the landmark Goods and Services Tax (GST) brought in some uncertainties as businesses adjusted to the new regime. This did not take long, and from the third quarter onwards, signs of growth returning were evident.

In the coming financial year, we can expect that global economic activity continues to strengthen, global growth is forecast to grow by 3.9% during 2018 as per the International Monetary Fund's (IMF) January 2018 World Economic Outlook. The IMF expects India to grow at 7.4% during 2018 which could increase further to 7.8% during 2019 in contrast to 6.7% during 2017.

The Economic Survey for 2017-18 pegs the figure at 7-7.5% for the financial year ahead.

8. PAPER INDUSTRY OUTLOOK AND OPPORTUNITIESThe paper industry in India has become more promising as the domestic demand is on the rise. Increasing population and literacy rate, growth in GDP, improvement in manufacturing sector and lifestyle of individuals are expected to account for the growth in the paper industry of India. Many of the existing players are increasing their capacity to meet the growing demand. The focus of paper industry is now shifting towards more eco-friendly products and technology. Government of India has established rules and regulations to control the population and degradation of forest. These measures taken by the government has brought the significant changes in the paper industry of India. According to CARE Ratings Paper Industry Research, paper demand is expected to grow at a CAGR of 6.6% and reach 18.5 million tonnes in 2018-19. The management is well aware of this potential and is in all interests to make gain for the company and its stakeholders from the same.

9. CORPORATE SOCIAL RESPONSIBILITYEven though the provisions of Companies Act, 2013 regarding Corporate Social Responsibility are not attracted to the company yet the Company has been, over the years, pursuing as part of its corporate philosophy, an unwritten CSR policy voluntarily which goes much beyond mere philanthropic gestures and integrates interest, welfare and aspirations of the community with those of the Company itself in an environment of partnership for inclusive development.

10. HUMAN RESOURCEThe well disciplined workforce who has served the company for three decades lies at the very foundation of the company's major achievements and this trend is set to continue. The management has always carried out systematic appraisal of performance and imparted training at periodic intervals. The company has always recognized talent and has judiciously followed the principal of rewarding performance.

11. BUSINESS RISK MANAGEMENTThe prudent principles of risk minimization no longer are an option but have become a compulsion these days. In keeping with these norms the board took a well informed decision to initiate the procedure and thereafter formally adopted steps for framing, implementing and monitoring the risk management plan for the company. The objective of this policy is ensuring stability of business and its sound growth and also to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues. In accordance with newly introduced Regulation 17(9) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 the Board ensures adherence and continuation of such risk management policy. In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The common risks inter alia are: Regulations, competition, Business risk, Technology obsolescence, Investments, retention of talent and expansion of facilities. Business risk, inter-alia, further includes financial risk, political risk, fidelity risk, legal risk. As a matter of policy, these risks are assessed and steps as appropriate are taken to mitigate the same.

12. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACYThe system of internal control established is commensurate with the size and nature of business. Detailed procedures are in place to ensure all assets are

safeguarded and protected against loss and all transactions are authorized, recorded and reported properly. The internal control system are monitored and evaluated by internal auditors and their reports are reviewed by the audit committee. . Even through this non-production period the Company continues to ensure proper and adequate systems and procedures commensurate with its size and nature of its business.13. BTECHNOLOGY ABSORPTION :-I. RESEARCH AND DEVELOPMENT (R & D)Specific areas in which the Company carried out R & D
:a) Installed Basis Weight Control Valve at paper machine.b) Fresh water consumption further reduced by recycling the machine back water at
couch pit dilution, machine and pulp mill vacuum pumps.c) Installed 2 Nos. sludge press. Further we are going to install additional treatment
before primary clarifier.d) Install ESP in power plant boiler.e) Further to reduce fresh water consumption, machine back water used in all vacuum
pumps sealing water instead of fresh water.f) Installed black liquor recovery plant at ETP. 2nd filter press was commissioned.

Benefits derived as a result of above R & D :a) Control over the grammage variation of paperb) Fresh water consumption reduced and ETP load minimizedc) Reduced the SS load in primary clarifier also reduced the COD & BOD load.d) Emission in the air is negligible and maintains all emission parameters.e) Reduce fresh water consumption.f) Minimise black liquor storage problem and recovered lignin sludge for using as fuel alongwith coal in boiler.Future Plan of action:a) To improve quality of paper further to increase market share in printing segment.b) To install slotted pressure screen in paper machine to minimize dirt & specks and improve the paper cleanliness.c) To install Waste Paper Street with deinking facility for which black liquor and effluent load reduced.d) To install 1 no. B-2 thickness in machine back water system for recovery of black water fiber and reuse the back water.e) Installation of ESP in power plant boiler-reduce the Air pollution load in ambient.f) Minimum use of fresh water and recycling of such water.Expenses on R & D :a) Capital The development work is carried byb) Recurring the concerned department on anc) Total ongoing basis. The expenses andd) Total R & D expenditure the cost of assets are grouped under As a % of total turnover the respective heads.II. Technology absorption, adaptation and innovation :1. Efforts made towards technology absorption, adaptation and innovation:- Use of rice husk and low cost coal was introduced.2. Benefits derived as a result of above effortsThis will result in reduction in over all cost of coal consumption.
