EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956

In respect of item no. 5

In order to have global presence and to take benefit of economies of scale, your company plans to enter into new business ventures both in the Indian and Global Market and expand its existing area of operations, for which it plans to incur about Rs.250 crores in the near future. The Company therefore, plans to augment its long term financial resources by issue of equity/equity linked securities.

To meet the long term fund requirement for the proposed projects, modernization plans and to meet the working capital requirement, your company is planning to raise an amount not exceeding US \$ 50 or equivalent in Indian Currency by way of Global Depository Receipts ("GDR") and or American Depository Receipts ("ADR") and/or Foreign Currency Convertible Bonds ("FCCB") in one or more tranches, in such form, in such a manner, at such price or prices and at such time as may be considered appropriate by the Board.

The issue of securities will be as per applicable Indian Laws and guidelines in force from time to time.

Section 81(1A) of the Companies Act, 1956 and relevant clauses of the listing agreement where the equity shares of the company are listed provides that when it is proposed to increase the issued capital of a Company by way of allotment of further shares, such further shares shall be offered to the existing shareholders of the company unless approved otherwise by the shareholders in a general meeting. The special resolution, as proposed, if it is passed, will have effect or allowing the Board/its duly authorized committee to issue and allot securities to persons other than existing shareholders of the company.

Therefore, the proposed resolution as set out in the notice is an enabling resolution, authorizing the Board to issue equity/equity linked securities, as they may deem appropriate in the best interest of the company.

Your Board is of the opinion that the proposed resolutions are in the best interest of the company and hence recommend the above resolutions for your approval.

None of the Directors are in any way concerned or interested in the above proposed resolutions.

In respect of item no. 6

The Reserve Bank of India by amending the Foreign Exchange Management (Transfer or Issue of Security by a person Resident Outside India) Regulation, 2000, has raised the limit of investment by Foreign Institutional Investors (FII's) up to the sectoral cap/statutory limit as applicable to the Indian Companies, subject to the approval of the Board of Directors and shareholders of the Company in General Meeting by way of Special Resolution.

The Board of Directors of your Company has approved subject to the approval of shareholders by way of Special Resolution in the general meeting, Foreign Institutional Investors (FII's) investment limit upto 49 percent of the paid up equity share capital of the Company.

The increase in FII's investment in the company will result in increased weightage of Company shares in benchmarking stock market indices, therefore large number of FII's will make investment in the equity shares of the company within the revised ceiling under the portfolio investment scheme of the Reserve Bank of India.

Your Board is of the opinion that the proposed resolutions are in the best interest of the company and hence recommend the above resolutions for your approval.

None of the Directors are in any way concerned or interested in the above proposed resolution.

In respect of Item No. 7

The present authorized share capital of the Company is Rs.121,25,00,000 divided into 1,22,50,000 equity shares of Rs.10/- each and 109,00,000 redeemable preference shares of Rs.100/- each.

As it is proposed to issue GDR/ADR/FCCB vide item no. 5 of the agenda of the meeting and cosequent upon such issue, the paid up equity share capital of the company will be increased from its present level of Rs.12,24,48,000, hence, there is necessity to increase the authorized equity share capital of the Company from its present level.

On the other hand, there is huge gap between the authorized redeemable preference share capital and paid up redeemable preference share capital and sum of Rs.66 crores (approx.) is presently lying unutilized in the authorized preference share capital of the company.

It is proposed to transfer/club Rs.17,75,00,000 from authorized preference share capital to authorized equity share capital of the Company. After clubbing/transferring of authorized share capital, Clause V of the Memorandum of Association of the company shall stand altered and be substituted by the following new clause :

- V The Authorized Share Capital of the Company is Rs.1,21,25,00,000/- (Rupee One hundred twenty one crores and twenty five lacs) divided into 3,00,00,000 (Three crore) equity shares of Rs.10/- (Rupee ten) each and 91,25,000 (Ninety one lac twenty five thousand) Redeemable Preference Shares of Rs.100/- (Rupee One hundred) each.

The company has already filed scheme of arrangement under section 391-394 of the Companies Act, 1956 before the Hon'ble High Court at New Delhi wherein the alteration in the authorized share capital has also been proposed. It is presumed that it may take longer time in finalization of the scheme of arrangement and there is urgent necessity to increase the authorized share capital in view of the proposed issue of securities as mentioned above, therefore, it is proposed to alter the authorized share capital by getting shareholders approval in the general meeting.

Your Board of Directors recommend the above resolutions for your approval.

None of the Directors are in any way concerned or interested in the above proposed resolution.
