The company's main business segments are Agri Business comprising largely floriculture and steel and chemicals and pharma division comprising both manufacturing and trading. The company's subsidiaries are in the business of foods and food processing and international trading.

Pharma Division :

We now have a Pan India presence and are actively looking for international tie ups to spread our presence to other countries particularly in South East Asia and Africa. We also confirm to ISO 9001-2008 Certification at our GMP certified works located in Distt. Solan, Himachal Pradesh. This wonderful product from Alchemist Pharma is now regarded as a "Wonder-Pill" and it is now being used by doctors as support therapy to treat a wide range of diseases and hopefully should add significantly to the top line in the times to come. Other brands are also showing increasing acceptance. The trading activities have shown marginal growth.

Agri and Steel Division:

Your company has taken first step in the business of Global Agri Trade during the year with reasonable success. The other business segments have not seen any major movement. Outlook for roses and steel both appear to be stable in the present social and economic environment.
