YEAR IN RETROSPECT

The company recorded a turnover of Rs.1755.05 lacs as against Rs.1763.21 lacs for the previous year. The turnover is lower on account of increase in conversion income. In spite of higher provision for depreciation, and increasing costs, the company could sustain the profitability due to its efforts to control costs and better utilisation of available resources.

The Company has consolidated its position in manufacturing Cylinder Heads for 2 and 3 wheelers with Four Stroke engines. The Company has widened its Clintie in the field of this product to different models of major OEMs of motor cycles, prominent among them being Bajaj Auto Ltd, Kinetic Engineering Ltd., Yamaha Motor India Pvt Ltd., TVS, and LML ltd.

During the year the Company has set up the facility for manufacturing shocker tubes. Your Directors are confident that this product will be successfully developed and it would contribute to the profitability of the Company in the ensuing years..

FUTURE OUTLOOK

In today's time when change is the only constant, for every business to succeed, it is imperative to be on the forefront and redefine the business realities and potentials in its area of specialisation. Taking cognizance of such developments, your Company is poised to enhance its operations in terms of manufacturing components for the growing motor cycle market. The Company has received significant orders from Honda Motor Co., TVS, Piaggio, Lombardini and others.

After elaborate and extensive techno-commercial meetings, necessary steps are being taken to set up a Ten crore project/Product Line to manufacture and machine Intake Manifolds for Maruti Udyog Ltd for its Alto and WagonR models.

Technical Know-How arrangement is being made with Hekekai Kouki of Japan, who are the present manufacturers of these components for Suzuki Motor Company.

FINANCE

Your Directors are glad to report that Enkei Corporation, Japan, with whom the Company has Technical Know-How arranement have shown interest in subscribing to Equity of your Company. For obtaining necessary approval of the members, Extra Ordinary General Meeting is being convened. If members agree, it is proposed to allot 19,00,000 Equity shares of Rs 10 each at such premium as the members would decide. The funds would be used for financing the Company's on going project of Intake Manifold and long term working capital requirement. There will be no change in the management.

ENERGY, TECHNOLOGY & FOREIGN EXCHANGE

Information on conservation of energy, technology absorption and foreign exchange earnings and outgo required to be given pursuant to Section 217(1)(e) of the Companies Act, 1956 read with the Companies (Disclosure of particulars in the report of the Board of Directors) Rule, 1988 is annexed hereto and forms part of this report.
