Item no.5

At Present the Authorised Share Capital of the Company stands at Rs.11,00,00,000/- (Rupees Eleven Crores only) divided into 5,50,00,000 (Five Crore Fifty Lac) Equity Shares of Rs.2/- (Rupees Two only) each.

With the growing requirement of funds for meeting part of working capital requirements and for part – financing capital expenditure programme in view of increased level of operations, it has been decided to make preferential issue of equity shares/convertible warrants to promoter group and/or non promoters. Further company wishes to issue shares/warrants to its employees under the Employees Stock Option Plan. The present authorised capital is not sufficient to meet the proposed issue of share capital. Therefore, it is considered necessary to increase the present authorised share capital from Rs.11 crores to Rs.20 crores, by creation of 4,50,00,000 equity shares of Rs.2/- each which shall rank pari passu with the existing equity shares of the Company.

Consequent upon the increase in Authorised Capital of the Company, its Memorandum and Articles of Association will require alteration so as to reflect the increase in share capital.

Section 81 of the Companies Act, 1956 provides, inter alia, that whenever it is proposed to increase the subscribed capital of a Company by a further issue and allotment of shares, such shares shall be offered to the existing shareholders of the Company in the manner laid down in the said Section, unless the shareholders decide otherwise in a general meeting. The listing agreement with the stock exchange also provide, inter alia, that the Company in first instance should offer all the shares and debentures to be further issued for subscription pro rata to the equity shareholders unless the shareholders decide otherwise in a general meeting.

The consent of the shareholders is therefore being sought to the provisions of Section 81 (1A), SEBI (Disclosure and Investor Protection) Guidelines, 2000 and the listing agreements entered into with the Stock Exchanges, authorizing the Board to raise additional capital by further issue of equity shares and/or financial instruments compulsorily convertible into equity shares at later date in such manner or on such terms as the Board may deem fit in the manner proposed in the Resolution.

OPPORTUNITIES:

The booming financial services sector presents a huge growth potential for our various businesses. The low penetration levels of equity, insurance, mutual funds and other financial service products presents an opportunity for us. There is also substantial scope for expanding our institutional presence in the equities broking business as its contribution is currently much lower than that of some of our major competitors. We can also substantially expand our business by going in for retail clientele as till date our major aim was on high net worth clients and offer wealth management solutions.
