The background shows a sunset over a body of water, with the sun low on the horizon, creating a gradient of colors from orange to blue. The scene is reflected on the surface the hand is holding.

## Chairman's Message

Dear Shareholders,

In continuation of our theme of reinvention, we have decided to take a new outlook on business. The broking and financial services industry in India on the retail front is contracting. We believe therefore that it is prudent we withdraw from this business for the moment. I would like to inform you that your company has surrendered its membership to the National Stock Exchange which was approved on 24<sup>th</sup> February 2012. It has been a difficult decision for all of us. We are saddened that this integral part of our history and our growth and our business has to be let go. We plan to move all our existing business and liabilities related to stock broking to a wholly owned subsidiary where these issues will be dealt with expeditiously.

This year, we have a large number of things lined up. Our research indicates that the media space is ripe for entry. We believe that we have the correct expertise and experience to enter this new vertical and we are sure of success. ASL will undergo a makeover to come out as a broadcaster. We intend on applying for a HITS broadcasting license which we believe is an enticing venture. We have an exciting plan and a fantastic team lined up to carry out the new business.

I assure you, our cherished partners, that ASL will overcome the misgivings of the past and move on and forge a bright and strong future.
