ALPS INDUSTRIES LTD.

PERFORMANCE

Despite the constraints imposed by various economic factors, accompanied by a dampened export market, the company has managed to keep on a growth track and recorded a 10.81 % increase in turnover as compared to previous year.

Proffit from the operations recorded a growth of 5.94% as compared to last year. This had been possible because of step taken in the right direction in certain key areas like, reduction in financial cost, improving personnel and production productivity.

Last but not the least a focussed approach to marketing, by introducing a whole new range of products has made it possible to sustain our track of growth.

VISION FOR FUTURE GROWTH

The company has been constantly observing the changes at the market place. Consumer demands keep varying in a dynamic manner, therefore, the essence of success is to watch the changing preferences of the customers/markets we cater to.

In the Window Covering range our mission has been to create 'Window Fashion' under the brand name 'Vista'. We launched a whole new range of Blinds. In the Vertical Blind segment, a colour/design co-ordinated range of fabric in the new 'Dustguard' series, have been launched. A whole array of nature series of blinds in 'Bamboo' and 'Wood' have been introduced.

In the drapery rod segment completely new concept of 'Swing' and 'Flexi' range have been place in the key retail showrooms. All the above products have been exceedingly well received by the market.

In the Wooden Flooring segment we launched our range of 'Exotique' and nature colour range which again augmented the sale of laminate wood.

In the Home Furnishing range, we introduced the Jacquard range and 'Bright Polyester' Furnishing. We are currently planning to introduce Auto Furnishing range of fabrics.

In the segment of Fashion Accessories our brand 'Le Pashmina' has made an indelible mark in the domestic and export market.

Our advertising campaign with 'Miss India' helped us to create an excellent awareness for the brand 'Le Pashmina'. Le Pashmina is one of the most sought after brands and exudes a sense of style by itself. In the line of Pashmina accessories, we have introduced an array of new product offerings. The company is planning various strategies for the marketing of the Pashmina products. We are organizing Exhibitions in the major cities across the country. The new range envelopes the experience, the luxury of Cashmere & Aromatic shawls, Cashmere knits and the softness of Summer Silk Scarves & Stoles. All in an endless array of hue and colours, providing the discerning customer a wide collection of Pashmina shawls in all possible tints, textures and fragrances from 'Le Pashmins', the only Pashmina brand in India. Pashminas are perfect add-ons for evening wears, suitable for all seasons suitable to be worn through the year. Starting from Pure Pashminas and silk blends, the shawls, scarves and stoles are available in plain tones and gorgeous shawls embellished with crystals or stunning Kashmiri work. Besides this includes aromatic shawl with aromas such as sandalwood, rose, mandarin, jasmine and lavender. These fragrances give the wearer the added advantages associated with the fragrances.

Accessories made form cotton blend Pashmina were aslo introduced during the year consisting of colours ranging from soothing pastels to vibrant hues off spring, all hand - crafted by master weavers in eco-friendly natural dyes. Your company also supports the concept of protection campaign by Wild Life Trust of India, which is promoting the 'Say no to Shahtoosh'.

FINANCIAL STRATEGY

The new developments in the Government and Reserve Bank of India policies have resulted in reduction in the Cost of funds. Your company has swaped various Rupee Term Loans into Foreign currency Term Loans on the better terms & conditions.

In the process of high cost borrowings from IDBI, UTI Bank Limited, and IDBI Bank Limited to the extent of Rs. 20.00 Crores have been replaced by the Foreign Currency Terms Loan from Bank of Baroda and State Bank of Travancore.

To broad base the Banking arrangement of Working capital facilities, ING Vysya Bank Ltd. and ABN AMRO Bank N.V., have been introduced during the year. The share capital of the company has also increased to Rs. 7.70 Crores from Rs. 6.20 Crores during the period under review, which will improve the Ratio/Financial performance of the company. Due to overall effort, we are hopeful to achieve the goal of effective financial cost control to improve the performance of the company.

TECHNOLOGY FOCUS

To be successful on a continuous basis it is of prime importance that we absorb emerging technology. In this context, during the year your company has upgraded the plant & machinery by inducting the fuel efficient Boiler and Generator sets. There are also current proposals for replacement of Stentor and other equipments of Weaving and Spinning Departments to improve the production by quality and quantity.

NATURAL COULRAGE

The company has completed the project for the production and standardization of Natural Dyes successfully. The development of marketing network is under process in domestic and overseas market. It is not out of place to mention that the Govt. of India. Ministry of Science and Technology, Department of Scientific & Industrial Reasearch, New Delhi has accorded the recongnition to the In-house R & D Unit of the company.

During the period R & D efforts have been put, to standardize the manufacturing and application of ANNATTO colour for food products and achieved ISI Certificate for the marketing. Company has also signed two major M.O.U's with two companies for the above product including food colours. The development of technology for the production of Herbal Gulal to eliminate normal Gulal are also under process. Company is also exploring the possibility of developing technology for solvent extraction from the Marigold flower to process the food colours, which have excellent export potential.

There are also future plan of action for Development of technology for manufacturing Potpourri from dried flowers and other Natural Herbs to be used for the 'freshness' in air. The development of the technology for the production of food colours called "PAPOSSA" and paprika chlorophyll, curcumin are under process and expected to be achieved soon.

VENTURES IN ASSOCIATION - ALPS TEXTFAB LIMITED, RAIPUR

The overall development of the project is upto expectation but requires strategic steps to achieve the desired results. The company has undertaken the processing of various textile-related products for various purposes, especially for Interlining and coating. We expect to get the return on investment very shortly. The company is exploring new avenues for the development of other related activities within the affordable financial package.

CREATIVE BLENDS INC. USA

To come closer to the customers in the US Market, company has made arrangement through its Wholly Owned Subsidiary venture under the name of Creative Blends Inc. Your company plans to develop the marketing network in USA, Canada, European countries, UK and other nighbouring countries for Home Furnishing and Fashion Accessories. During the year, the said venture became operational and is moving in the right direction. After analyzing the financial requirements of the project and for proper control in the overseas market the project was scaled down. The said project was partly financed by the Export Import Bank of India to the extent of Rs. 5.00 crores which was reduced substantially. Your company has also contributed towards Equity contribution, by way of Export of goods and currency remittances. We have plan to enlarge the area of operation in the product range as well as locational coverage. The return on the Investment will be maturing shortly. It will broad base the customer services more effectively in the International market.
