No provision for interest, depreciation and penal interest has been made after 30.09.97 in view of the scheme of revival and rehabilitation being worked out under the guidance of IDBI.

OPERATIONS

The operations of the Company, for the year under review though marginally better than the last year, have not been satisfactory. The accumulated losses, sticky debts, lower capacity utilisation, continuing sluggish textile market, and erosion and paucity of working capital, etc., have led to highly uneconomic operations.

Consequent upon being declared a Sick Industrial Company by the Board of Industrial and Financial Reconstruction (BIFR) your Company submitted a revival and rehabilitation proposal to IDBI on 30.06.98 which inter alia provided for induction of an NRI as co-promoter to bring the requisite promoters' contribution of Rs. 120 lacs.

On Joint Meeting held on 28.12.98 stipulating induction of Rs. 400 lacs as promoters' funds the promoters expressed their inability to bring in such quantum of funds and instead suggested for change of management which was accepted by the Joint Meeting.

The BIFR while accepting the above advice ordered OA to initiate action for change of management.

Accordingly IDBI issued advertisement in March'99 inviting offers for takeover/merger/amalgamation of the Company. On IDBI not getting any concrete response to the advertisement, your Company has given a revised proposal to IDBI which is under their active consideration.

It is hoped that the institutions will take a sympathetic view of the proposal of our unit where manufacturing facilities are still in good shape. On sympathetic and expeditious finalisation of the revival and rehabilitation proposal by the BIFR your Company will be able to attain back its normal health as envisaged in the proposal.

MATERIAL CHANGES

Your Company had taken up certain assets on lease from Fortis Financial Services Ltd (Fortis). Due to non payment of lease rental Fortis had approached Hon'ble Bombay High Court who had ordered for appointment of Court Receiver and in the event of our failure to pay the rentals to give possession of the equipments. After our appeal having been turned down through an out of court settlement. Fortis had taken possession of the assets as full and final settlement of their dues towards the Company. Your Company had taken up Picanol Airjet looms on higher purchase from Gujarat Lease

Financing Ltd (GLFL) Due to our inability to pay the instalments GLFL filed various cases in the local courts. Through an out of court settlement as full and final settlement GLFL has taken possession of the assets financed by them.

DIVIDEND

In view of the losses, your directors do not recommend any dividend for the year under review.

EXPANSION AND DIVERSIFICATION

Based on the revival and rehabilitation package to be finalised by the BIFR your Company may plan critically required expansions/diversification's.

INSURANCE

The Company's properties have been insured against fire, strike, riots, earthquake etc., on the basis of replacement value.

PARTICULARS OF EMPLOYEES

There was no employee during the year drawing remuneration in excess of the ceiling prescribed under provisions of Section 217(2A) of the Companies Act, 1956 read with the companies (Particulars of Employees Rules, 1975, as amended).
