The accompanying notice together with explanatory statement is and should be treated as an abstract of the terms and Memorandum of interest under Section 302 of the Companies Act, 1956.

Item 8

At the Annual General Meeting of the Company held on 30.11.1983, an ordinary resolution was passed authorising the Board of Directors of the Company to borrow moneys from time to time upto an amount not exceeding Rs.100 crore for the purpose of business of the Company. Since then the volume of the Company's business has increased considerably and in view of restructuring plan of the Company, it is likely that the Company may be required to borrow additional funds for its operations. Thus, it will be necessary for the Company to borrow the moneys from time to time either from its Bankers or other bodies corporate or Financial Institutions. Approval of the shareholders is therefore necessary under Section 293(1)(d) to increase the said borrowing limit from Rs. 100 to Rs. 200 crore (Rupees two hundred crore only) by passing the ordinary resolution as mentioned at item 8 of the accompanying Notice.

None of the Directors of the Company may be considered to be concerned or interested in the passing of the resolution mentioned at item 8.

Item 9

As the shareholders are aware, in terms of the Scheme of Arrangement approved by the High Court of Gujarat, the Electronic Division of the Company was vested in Sarabhai Electronics Limited (now known as ORG Informatics Limited) with effect from 1.7.1985 for a value of Rs.732 lakh, assigned under the scheme.

Currently, the Company holds 23,20,590 equity shares of Rs.10/- each in the issued and subscribed share capital of ORG Informatics. The management of ORG Informatics is under 'joint control' of the Company and Global Asia Partners LP (GAP), USA.

The Company as in past, continues to supply various utilities services, watch and ward services, power etc. to ORG Informatics and as per latest data, its receivable from ORG Informatics is about Rs.303 lakh, after allowing an interest waiver of about Rs.92 lakh.

ORG Informatics had, requested the Company, to consider its proposal to accept its equity shares towards settlement of outstanding receivables by the Company of equivalent amount upto Rs.300 lakh. ORG Informatics also informed the Company that in view of its business plans it would be better if it could enlarge its equity base by this proposal. Due to liquidity problems, ORG Informatics also indicated its inability to consider payment plan through cash payment in respect of receivables by the Company at least in near future.

Therefore, the Board of Directors of the Company felt it to be in the best interest of the Company to agree to convert its receivables either in full / part, from ORG Informatics into investment, since by this ORG Informatics would be able to discharge the pending dues to the Company.

The provisions of Section 372A of the Companies Act, 1956, stipulate that the prior permission of the shareholders of the Company has to be obtained, if the aggregate of the investments of the Company would exceed the prescribed limits specified therein viz. 60% of the equity and free reserves. The proposed investment upto Rs.300 lakh in the equity capital of ORG Informatics would exceed the prescribed limit as specified under section 372A of the Companies Act, 1956. Accordingly, for the purpose of enabling the Board of Directors to decide to make this investment upto Rs.300 lakh in the equity share capital of ORG Informatics, the resolution as appearing at item No.9 of the accompanying Notice is proposed. This proposal would also require clearance of SEBI, Mumbai under applicable regulation/s.

Mr. Kartikeya V. Sarabhai being the Director/ shareholder of the Company and also of ORG Informatics may be deemed to be concerned or interested in the resolution. None of the other Directors of the Company may be deemed to be concerned or interested in the proposed resolution.

Item 10

As the members are aware, the erstwhile Swastik Undertaking of the Company was vested as a going concern in Swastik Surfactants Limited (SSL) (formerly known as Whitco Limited), Lalol, District Panchmahals, by order passed by the Hon'ble High Court of Gujarat on 24.12.1987 whereby the Scheme of Arrangement as proposed by the Company and duly approved by the shareholders was sanctioned.

Central Bank of India (CBI) AND Bank of Baroda (BOB) subsequently contested the Scheme of Arrangement and filed a Petition in the Gujarat High Court challenging the Order dated 24.12.1987 of the High Court sanctioning the Scheme of Arrangement. In the said appeals, the Division Bench of the Court set aside the Order of the Single Judge sanctioning the Scheme of Arrangement by Order dated 23.2.1997. The Company preferred an appeal against the said Order of the Division Bench in the Supreme Court.

Hearing of the Company's Appeal against the order of the Division Bench of the Gujarat High Court dated 27.2.1997 is concluded in the Supreme Court in November 2003 and by its order dated 20.11.2003 the Court has allowed the said Appeal and set aside the order of the Division Bench. The Division Bench by its order of 27.2.1997 had set aside the order of the single judge of the Gujarat High Court sanctioning the Scheme of Arrangement relating to erstwhile Swastik and Electronics undertakings, as proposed by the Company. In terms of the directions given by the Hon'ble Supreme Court while allowing Company's appeal the Company was required to furnish guarantee to the CBI and BOB for the suit amount claims of the banks and the guarantee were to be furnished within a period of 30 days from the order of the Hon'ble Supreme Court. Accordingly, in terms of the authority given by the shareholders of the Company to its Board of Directors vide a resolution passed by the shareholders of the Company at AGM held on 26th September, 2002 and with a view to honour the directions of the Hon'ble Supreme Court, the Company has during December '03 given guarantee to CBI and BOB for the outstanding dues of the erstwhile Swastik Division. The Company is negotiating with SSL to arrive at a compromise solution and a MOU has been entered into.

Accordingly, the approval / ratification / consent of the shareholders of the Company is sought for the purpose at resolution provided at item No.10 of the accompanying notice.

None of the Directors of the Company, is any way interested in the above resolution.

Item 11, 12 and 13

As the shareholders are aware, the Board of Directors of the Company have initiated steps for rebuilding the Company's operations. In the process, it is deemed necessary to arrange mobilization of funds partly through equity option and partly through debt instruments as well.

The proposed mobilization of funds would involve the issue of equity shares of the face value of Rs.10/- each at such price (not less than par) for an aggregate amount of Rs.35 crore (including premium if any) as may be decided by the Board of Directors of the Company and permitted by the appropriate authorities, to Foreign Institutional Investors, Non-Resident Indians, State Financial Institutions, Institutional Financial Institutions, Mutual Funds, Indian Nationals and Corporate Bodies / Overseas Bodies Corporate, whether the existing shareholders of the Company or not.

Keeping this in view, the authorised share capital is proposed to be increased from Rs.65 crore to Rs.95 crore and for the purpose, resolutions at Item 11 and 12 are proposed to seek your consent for increase in the Authorised share capital and consequential amendment in the Memorandum and Articles of Association of the Company.

Resolution set out at Item 13 seeks your consent/ authority/s.81 of the Companies Act, 1956 for issue and allotment, by way of private placement/ preferential allotment of equity shares, to various entities including individuals, institutions and bodies as set out in the resolution in one or more tranches and on such terms and conditions as the Board of Directors of the Company may decide and approved by the concerned authorities.

Your Directors hold a strong view that mobilization of such funds is a dire necessity for the Company to enable rebuilding its operations. The Directors, therefore, commend the resolutions set out at Item 11, 12 and 13 for your approval, and acceptance.

None of the Directors of the Company is concerned or interested in the aforesaid resolutions.

Item 14

With liberalization and opening up of the Indian economy, the country's business environment has become increasingly competitive. It is, therefore, considered imperative that appropriate measures be adopted by the Company for attracting and retaining qualified, talented and competent personnel. An Employee Stock Option Scheme ("the ESOS" or "the Scheme") is being resorted to by many Indian Companies as a tool for this purpose. Internationally also the scheme has been widely accepted by the employees. The scheme is designed to foster a sense of ownership and belongingness amongst the employees by aligning their interests with those of the Company and its shareholders so as to enhance shareholders value. ESOS has the potential to provide an opportunity to employees to share in the Company's growth.
