#### DIVIDEND

Your directors are pleased to recommend for your approval payment of dividend for the year ended 31<sup>st</sup> March 2003 at 16% on the Equity Shares of the Company.

#### OPERATIONS:

The Company's Total Income and Gross profit amounted to Rs.8325.59 Lakhs and Rs.1175.95 Lakhs. This represents a growth in Total Income 26.82% and in Gross Profit 85.31 % as compared to the previous year.

For the year Company's Export Turnover amounted to Rs.6247.39 lakhs as compared to Rs.5126.36 lakhs in the previous year representing an increase of 21.87%. The export turnover constituted 76.56% of the total turnover as against 78.88% in the previous year.

The overall improved performance of the company was due to change in product mix and planned leveraging of all the resources of the company towards achieving optimum performance of the company.

During the year the Company completed and put in operation the scheme of different product mix in the form of manufacturing of Compact Spinning Cotton Yarn by fixing such spinning systems over the existing Ring Frames coupled with strengthening of back processing and modernization of Unit - I and Unit - II of the Company at a cost of Rs.1112.18 lakhs. Bank of Baroda assisted this scheme by way of Term Loan of Rs.700.00 lakhs under Technology Upgradation Fund Scheme (TUFS) and balance amount was met out of internal accruals. This will enable the Company to diversify & further strengthen its export market base. The Company has drawn up a proposal to generate energy for captive purposes so as to meet part of its energy requirement through Wind Energy at an estimated cost of Rs.30.00 Crores. The discussion with the Equipment supplier and tying up of necessary resources for the project cost is in the advanced stage of conclusion. The Scheme is proposed to be implemented under Technology Upgradation Fund Scheme (TUFS) and on its completion would substantially reduce the cost of energy in respect of the existing operations.
