## DIRECTORS' REPORT

To the Members  
Ladies & Gentlemen,

Your Directors hereby submit the 13th Annual Report on the business and operations of the Company together with the Audited Statements of Accounts for the year ended 31st March, 2000.

### 1. PERFORMANCE

The salient features of the performance of your Company during the year under report are highlighted below:

PARTICULARS	(Rs. in Lakhs)	
	Year ended on 31.03.99	Year ended on 31.03.2000
1. Net Sales/Income from Operations	5.97	1.20
2. Other Income	103.21	141.94
3. Increase /Decrease in Inventory	(450.39)	(24.69)
4. Total Expenditure	156.31	162.51
5. Interest & Finance Charges	307.19	362.45
6. Gross Profit after interest but before depreciation and taxation	(804.71)	(406.51)
7. Depreciation	87.60	87.49
8. Provision for taxation	—	—
9. Net Profit/(Loss) (6-7-8)	(892.31)	(494.00)
10. Paid - Up Equity Share Capital	678.74	678.74
11. Reserves excluding revaluation reserves (as per the Balance Sheet of previous accounting year)	—	—

The Company's export business continued to be affected during the year under review also due to the following factors:

- a) The international market for marine products persisted at a very low level in general.
- b) As you are aware, the Company's factory having IQF plant at Edakochi has obtained EEC approval. Although the company is ready to meet export challenges with quality production under EEC standards, the stepping up of export activities from virtually 'Nil' level, requires large volume of working capital funds. The company made several attempts, to enhance working capital limits, by submitting to the bankers package proposals including restructuring. However, unfortunately your company did not have any positive response from the bankers and as a result the technical capabilities of the company could not be exploited to resume and enhance the export performance.

Against this background, the company had no other alternative but to carryout processing job works, to get some financial reliefs at least to meet a part of day to day expenses. Thus you may note that income from processing charges has increased from Rs.101.86 Lakhs (1998-99) to Rs.137.01 Lakhs during the year.

- c) The Task Force Committee which has been set up by Ministry of Commerce and Ministry of Finance, consisting of their

senior officials as also selected representatives from Seafood Exporters Association, from RBI, ECGC, Banks and Financial Institutions, had several sittings and finally they have forwarded their recommendations to the Government (remedial measures providing suitable package/relief measures to the suffering seafood units). The outcome in this regard is awaited. The company is hopeful that the Government of India will come out with certain relief measures to help the ailing industry.

## 2. REGISTRATION WITH BIFR

Pursuant to the statutory requirements, to be complied with, under Sick Industrial Companies (Special Provision) Act, 1985, the Company has registered with BIFR (Board for Industrial & Financial Reconstruction) Government of India vide BIFR's reference letter No.32/2000 dated 19/01/2000. The proceedings are in progress. The only hope of the company now is to get a suitable BIFR relief package to turnaround the operations of the company. In this context your company is submitting from time to time all required details to Honourable BIFR.
