MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Overall review of the economy

The Indian Economy is showing clear signs of stability and vibrancy marked by impressive growth. Considered to be the fastest growing free market democracy, the Country is expected to reach the GDP at about 8.1% during 2005-06 and the overall growth rate is expected to be around 7%. During the year under reference, economy has witnessed an all-round progress.

Industry Structure and Developments

Non-Banking Finance Company's are the important entities engaged in the field of finance and investment, which is the primary business of your company. After prolong downtrend in interest rates, there is small increase in the interest rate. However, inflation was relatively higher compared to the previous year though it remained manageable. The outlook for 2006-07 is also quite positive.

The discussion on the financial performance of the Company is covered in the Director's report. During the year profit of the company is increased.

Opportunities and Threats

The main business of the company is investment and the Capital Market is providing promising return. The company is endeavored for making investments, which maximizes returns and ensures safety of fund. The company is consolidating its resources, which would be used for committing capital for future business activities. The company will keep examining and pursuing these new opportunities for growth. The company is aimed at improving the asset resolution and increasing operational efficiency. However, the successful conversion of this opportunity depends to a large extent on its ability of your company to improve capital adequacy and debt-equity ratios and raise new financial resources at a competitive cost in the future.

The company, with its integrations of operations is ideally positioned to benefit from the growing capital market.

Cash generations from operations continued to be favorable during the year, driven by the strong business performance. Cash surpluses were invested in safe instruments.

Risk is an integral part of the financing business and your company aims at the delivery of superior trade-off between risk and returns.

Segment wise Performance

Investment and loans is the main business activity of your Company. Segment reporting as required under Accounting Standards-17 is not applicable as all the revenue income comes from a single segment.

Internal Control

The Company maintains a system of internal control, including suitable monitoring procedures and the adequacy of the same has been reported by its auditors in their report as required under the Companies (Auditor's Report) Order, 2003. The Internal Audit Department regularly conducts a review to assess the financial and operating controls of the Company. Any significant issue is required to be brought to the attention of the audit Committee of the board. The statutory Auditors and the Head of Internal Audit are invited to attend the Audit Committee meetings.

Human Resources/ Industrial Relations Front

The Company continued to have the cordial and harmonious relations with its employees and there has been no material development on the Human resource/Industrial Relations front during the year. The Company considers the quality of its human resources to be most important asset and constantly endeavors to attract and recruit best possible talent.

Cautionary Statement

Statements in the Management Discussion Analysis Report describing the Company's objectives and predictions may be forward looking within the meaning of applicable rules and regulations. Actual results may differ materially from those either expressed or implied in the statement depending on circumstances.

Amit Securities Limited
