- ❖ During the year under review, the revenue from operations declined by 15.12% to Rs.4,206.66 lacs as against Rs.4,956.11 lacs in the previous year. The revenue from operations during the year is low mainly on account of low volumes in Dairy segment and no revenue in Real Estate segment due to sluggish market conditions;

- The raw milk prices came down in the first half of the year and were relatively stable during the third and fourth quarters. The costs relating to plant maintenance and other inputs, were higher. - ❖ In the case of real estate, there was no activity during the year.
