REHABILITATION SCHEME

The Company was declared a sick industrial undertaking by the Hon'ble Board for Industrial & Financial Reconstruction (BIFR) on 30th September, 1998 and the Rehabilitation Scheme for the Company formulated by IFCI (Operating Agency) with the consent of all the secured creditors was sanctioned by the BIFR vide order dated 9th February, 2001.

The sanctioned Rehabilitation Scheme provides for rescheduling of the institutional/bank outstandings including NCDs over a period upto 10 years. However, certain assumptions taken in the sanctioned Rehabilitation Scheme could not materialize for various reasons and consequently the projected profitability/cash inflows have not been achieved. The Rehabilitation Scheme envisages reliefs & concessions in the form of deferment of sales tax, electricity duty and octroi duty for both the Units of the Company situated in Punjab. The Punjab State Govt. has declined to grant these reliefs & concessions. The inflows on account of these reliefs were proposed to be

utilized in the working capital and for availing cash discounts on purchases of raw materials, thus lowering the cost of production. Since these reliefs are not yet available, the economies envisaged in the Scheme have not materialized. Secondly, due to delay in the sanction of the Rehabilitation Scheme by about a year, the working capital limits could be sanctioned by the consortium of banks only towards the end of financial year 2001-02. The unavailability of the need-based working capital also affected the profitability. Thirdly, the Scheme envisages sale of a part of the land of the Ghaziabad Vanaspati Unit (since closed) during the financial year 2001-02 leading to a profit of Rs.400 lacs in the whole year. The sale of land could not commence as the various approvals for change of land use, lay out plan etc. of the colony were received towards the close of the year. Fourthly, the last year has been characterized by extremely demanding business conditions driven by a global recession and poor business sentiment. The manufacturing sector has been affected particularly all over the world and in India. This impacted the performance of your Company as well during the year.

Debt Restructuring

In order to ensure revival of the Company on a sustainable basis, the Company entered into arrangements with ICICI, IIBI, LIC & UTI for One Time Settlement (OTS) of their dues at 100% principal amount and waiver of all simple interest, compound interest etc. by way of assignment of debt in favour of Amrit Enterprises Ltd.(AEL). Negotiated settlement (NS) was also reached with IFCI during the year at 100% principal amount and waiver of all balance dues, i.e. accumulated interest, FITL etc. Similarly, offer for negotiated settlement at 100% principal amount has been made to IDBI, the remaining institutional lender, which is being pursued.

Under the OTS arrangement with IIBI, LIC, UTI & ICICI out of the Total OTS amount of Rs.392.74 lacs, a sum of Rs.304.36 lacs has already been paid by AEL upto 31st March, 2002. The OTS payments to IIBI, LIC & UTI have been completed during the year and in respect of ICICI, the balance amount of Rs.88.38 lacs will be paid by 31.3.2003. In respect of the negotiated settlement with IFCI, the total principal NS amount payable is Rs.1,210.77 lacs as against its total debt liability of Rs.2,681.57 lacs including the accumulated interest after the cut-of date i.e. 31.3.2000. Out of the said principal NS amount of Rs.1,210.77 lacs, a sum of Rs.393.49 lacs has been paid by the Company upto 31.3.2002. As per NS arrangement with IFCI, the settled amount is to be paid over by 15th March, 2004 in equal quarterly instalments.

OPERATIONS

The sales & other income during the year under review was Rs.38,242.88 lacs as against Rs.32,695.51 lacs during the previous year. The projections made in the Rehabilitation Scheme for the year have been achieved partially as various assumptions taken in the scheme have not materialized. There was pressure on margins, especially in edible oils segment.

Edible Oils and Fats

The production of vanaspati & refined oils aggregated to 64,157 tonnes as against 62,300 tonnes in the previous year. The overall performance of the edible oils segment was adversely affected during the year due to various problems afflicting the industry. Frequent policy changes in the import of edible oils coupled with the duty-free import of vanaspati from Nepal in most part of the year and intense competition from the multi-national and domestic companies resulted in margins remaining under pressure. On the other hand, inputs costs have gone up, the impact of which could not be passed on entirely to

the market. In the changing and competitive environment and greater dependence on imports due to shortage of oilseeds in the country, the future of the edible oil industry, vanaspati in particular, will continue to be challenging. Your Company has taken on these challenges by initiating several measures in the areas of cost control, market penetration and distribution.

Paper

The production of paper during the year under review was 36,646 tonnes as against 30,534 tonnes in the previous year. The paper market has been relatively stable since the last year. However, resistance was witnessed in getting price increase in the later part of the year. The increase in the cost of various inputs which could not be passed on to the market was neutralized to some extent by the launch of new variants of printing and writing paper during the year. The intense pressure from the Pollution Authorities necessitated the management to look at various other options of outsourcing the production for growth.

Dairy products

The capacity utilization of Amrit Food Division continues to be low, though going up gradually from year to year. Effort are being made to process the milk for other institutional buyers such as Mother Dairy and others.

FINANCE

The Company is implementing a scheme for repayment of overdue fixed deposits as incorporated in the Rehabilitation Scheme. The deposits will be completely repaid during the current year. As on 31.3.2002, deposits amounting to Rs. 35.49 lacs which have become due for payment, remained unpaid. The deposits of 156 persons amounting to Rs.9.11 lacs which have become due for payment did not claim their deposits.

COST AUDIT

The Central Government has directed cost audit to be carried out every year in respect of Vanaspati and Paper. The Cost audit, as directed, is in progress and the reports will be submitted to the Central Government.

SUBSIDIARY COMPANY

The statement pursuant to Section 212 of the Companies Act, 1956 and the Audited Accounts of M/s Amrit Pulp & Paper Industries Ltd., the subsidiary of the Company, are attached. In accordance with Accounting Standard 21, Consolidated Financial Statements form part of this Report and Accounts.

Bajaj, Directors of the Company, retire by rotation and are eligible for re-appointment. Shri A.K. Bajaj is being re-appointed as Joint Managing Director of the Company for a fresh tenure of five years on the same remuneration and terms.
