JOINT VENTURE AGREEMENTS

Joint Venture Agreement with FormTech Industries

Subsequent to the year ended 30th June 2008 in the month of August 2008, the Company signed a JV agreement with Form Tech Industries LLC based in Royal Oak, Michigan; to set up a state of the art manufacturing facility for manufacturing Hatebur Hot Forgings for automotive applications in India and Europe. Amtek and FormTech will take 51% & 49% stake respectively.

FormTech is a leading manufacturer and supplier of precision hot, warm and cold forging components. It has the highest concentration of Hatebur Hot Forging machines in the world and is the largest independent automotive forgings suppliers in the USA. Its mission is to build upon product expertise, process technology and market leadership to deliver value-added components and assemblies to automotive customers around the world.

Being the world leader in Hatebur Hot Forgings manufacturing, FormTech will bring its state-of-the-art forging design and process technology to the JV. It will be another product diversification for us and also comes as a backward integration, as it is already one of the largest manufacturers of fully machined forgings for various applications.

This Joint Venture will complement your company's already significant forging division whilst also a step forward in direction of expanding its customer and product portfolio as well as attaining world class technological edge in automotive component manufacturing.

Joint Venture Agreement with American Railcar Industries

Your Company has signed a strategically important JV agreement with the leading American Railcar Manufacturer, American Railcar Industries, Inc. based in St. Charles, Missouri. The JV Company is expected to manufacture products from a new facility to be located in India. It is expected that the JV will begin railcar production in the 3rd Quarter of 2009. The JV would use the manufacturing methods that ARI has developed and would initially manufacture railcar types that are currently being sold in India. It is anticipated that this JV would introduce and build railcars new to the Indian Market within the next few years. It is also anticipated that the JV will produce railcars and component products for sale in other specific countries in South East Asia and the Middle East.

American Railcar industries is a leading North American manufacturer of hooper and tank rail cars. It also repairs and refurbishes rail cars, provides fleet management services and designs and manufactures certain rail cars and industrial components used in the production of its railcar as well as rail car and non rail products produced by others. ARI provides its railcar customers with integrated solutions through a comprehensive set of high quality products and related services.

This JV Agreement with American Railcar industries Inc will pave way to combine ARI's undoubted success in building high quality railcars. It will cover not only railways but also target huge potential in the aerospace industry.

MERGER

The Board of Directors of the Company in its meeting held on July 31, 2008 have approved the merger of Amtek India Limited, Ahmednagar Forgings Limited, Amtek Ring Gears Limited, Amtek Crankshaft India Limited, Amtek Castings India Limited with Amtek Auto Limited. The merger is subject to various approvals including approval of the shareholders and creditors of the respective companies, the High Courts of Delhi, Punjab & Haryana, Bombay High Court and Madras High Court, Stock Exchanges and other concerned authorities. The Appointed date of merger is proposed to be 1st July 2007 or such other date as the Board and/or Shareholders of the Company may approve or Hon'ble High Court may direct/fix.

The Scheme of Arrangement approved by the Board envisages a share exchange ratio as detailed below:-

- 44 Equity Shares of Amtek Auto Limited of Rs.2/- each fully paid up for every 100 Equity Shares of Amtek India Limited of Rs.2/- each fully paid up.
- 56 Equity Shares of Amtek Auto Limited of Rs.2/- each fully paid up for every 100 Equity Shares of Ahmednagar Forgings India Limited of Rs.10/- each fully paid up.
- 51 Equity Shares of Amtek Auto Limited of Rs.2/- each fully paid up for every 100 Equity Shares of Amtek Ring Gears Limited of Rs.10/- each fully paid up.

- 77 Equity Shares of Amtek Auto Limited of Rs.2/- each fully paid up for every 100 Equity Shares of Amtek Crankshafts India Limited of Rs.10/- each fully paid up.
- 5 Equity Shares of Amtek Auto Limited of Rs.2/- each fully paid up for every 100 Equity Shares of Amtek Casting India Limited of Rs.10/- each fully paid up.

The amalgamation of the Companies will result in increased business synergies with common production facilities, management personnel, financial, marketing and other resources. The merger will also enable pooling of resources of the aforesaid companies to their common advantage, resulting in more productive utilization of the said resources, operational efficiencies, greater economies of scale, reduction in overhead and other expenses, which would result in the businesses to be carried on more economically and efficiently and thus beneficial for all the stakeholders.

The amalgamation would result in the emergence of a strong and focused consolidated entity to manage the business more advantageously and thereby increase in the profitability and in your net worth.
