27th October, 2004

Management Discussion and Analysis Report.

1. Industry Structure and Development.

Our Company is amongst the leading rubber wood products manufacturer of the country. The Company is making every effort to make the product competitive.

2. Opportunities and threats.

Since rubber wood is a plantation timber so its use results into conservation of natural resources. Therefore there is an opportunity for growth. However increased competition in the sector is the threat.

3. Performance

Our Company continues its efforts to improve its overall performance.

4. Outlook

The Company is well poised to exploit market opportunity. The Company has a wider range of products to meet the requirements of various segments of customers. Our Company expect to improve its performance.

5. Internal Control System.

The Company has established good internal system and regular monitoring of various activities are done by Management.

6. Financial Performance

Proper budgetary control and working capital review is made periodically to improve the working of the Company.

7. Human Resources.

The Company has always valued its human resources. Industrial relations were co-ordial during the year.
