62nd Annual Report 1999-2000

REPORT OF THE DIRECTORS

To

The Members,

Your Directors present the SIXTY-SECOND Annual Report together with the Audited Accounts of the Company for the year ended 31st March, 2000.

PRODUCTION/SALES

During the year under review, the financial performance of the company was significantly affected owing to depressed selling prices, despite a 11% increase in cement sale volumes, as under :

	Year ended 31.3.2000 (Lac/MT)	Year ended 31.3.1999 (Lac/MT)
Production		
Clinker	5.35	5.18
Cement	6.26	5.50
Sales		
Clinker	0.29	0.20
Cement	6.26	5.64

The position of glut in the cement market, unremunerative prices and competition from new units established with sales tax exemptions resulted in the company having to curtail production of clinker and cement. While the realisations dropped due to the above factors, there were increases in costs of inputs including coal, furnace oil, diesel and transportation charges. Sales were curtailed in many markets as even variable costs were not getting recovered. A lock out from 3rd April, 1999 till 3rd May 1999 in DCW also affected the volumes during the first six weeks of the financial year under review.

OPERATING RESULTS

	Year ended 31.3.2000 (Rs./ Crs)	Year ended 31.3.1999 (Rs. / Crs)
Income	115.0	109.4
Profit/(Loss) before interest and depreciation	(9.2)	(0.7)
Interest	15.0	15.5
Cash Profit / (Loss)	(24.2)	(16.2)
Depreciation	4.5	4.7
Net Loss	(28.7)	(20.9)

The position of glut is gradually getting corrected due to improvement in cement demand by 15% nationally, while the consumption in South increased by 16%. The mismatch of demand and supply is expected to be substantially corrected during 2000-01.

WORKING CAPITAL

Against the assessed Working Capital limits of Rs.29.5 crores, the Company continues to operate against the adhoc Working Capital facilities of Rs.20.7 crores except for Canara Bank which released its full share.

Andhra Cements Limited

INDUSTRIAL RELATIONS

A lock out was declared on April 3, 1999, at DCW on account of illegal strike by a section of contractors, workers in Packing and Railway Siding contractors and disruption of power supply due to arson.
