EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956:

Item No.6:

The Equity Shares of the Company are listed on the following Stock Exchanges:

- 1. The Hyderabad Stock Exchange Ltd., (HSE)
- 2. Madras Stock Exchange Ltd., (MSE)
- 3. The Stock Exchange, Mumbai (BSE)

The Company Equity Shares are specified for settlement only in dematerialised form for all investors since 25th September, 2000.

With the extensive networking connectivity and extension of trading terminals across the country, investors have access to deal in the Equity Shares of the Company. The bulk of the trading in Equity Shares of the Company takes place on the BSE. Trading in Company Equity Shares on the other two Stock Exchanges i.e., HSE & MSE is negligible. Listing fees paid to these two Stock Exchanges is disproportionately higher compared to the trading volumes of Equity Shares of the Company. As part of cost reduction measures, without effecting the interest of investors and the liquidity of Company Equity Shares, it is proposed to voluntarily delist the Equity Shares of the Company from the Stock Exchanges at Madras and Hyderabad in terms of the Securities and Exchange Board of India (Delisting of Securities) Guidelines, 2003.

The Shares have been listed with Hyderabad and Madras Stock Exchanges for the past 3-years and continued listing with The Stock Exchange, Mumbai will meet the delisting guidelines.

Since the approval of members is required for such voluntary delisting by way of a Special Resolution, the Directors commend the passing of the Special Resolution.

None of the Directors of the Company, except Sri Justice G Ramanujam (Rtd.) in the case of MSE, is concerned or interested in the above resolution.

MANAGEMENT DISCUSSION AND ANALYSIS:

Your Company continues to face a highly competitive situation and pressures arising out of liberalisation of Indian economy and the impact of recession in world economy. This situation has been accentuated due to oversupply of Oxo-Alcohols by imports. Increased competition by way of dumping of Oxo-Alcohols at cheaper prices from exporting countries and consequent pressure on domestic sale price is the major concern of your Company. Prospects of the Company are dependent on international prices and continuance of Anti-Dumping duties.

Also the turmoil witnessed in the international oil markets has resulted in a volatile and fluctuating market which affects domestic sale prices.

With improvement in supplies of raw-material, there was significant increase in capacity utilisation. The Anti-Dumping Duties and support of the Government of India and improved sales helped the Company to post good results.

With the expected improvement in the rate of economic growth, the industry's prospects may be better. On the whole, the performance for the current year may therefore be satisfactory.

The Audit Committee reviews the findings of external and internal Auditors and the adequacy of Internal Control System.
