COMPANY AT A GLANCE

Apcotex is one of the leading producers of Synthetic Rubber (NBR & HSR) and Synthetic Latex (Nitrile, VP latex, XSB & Acrylic latex) in India. The company has one of the broadest range of Emulsion Polymers available in the market today. The various grades of Synthetic Rubber find application in products such as Automotive Components, Hoses, Gaskets, Rice De-husking Rollers, Printing and Industrial Rollers, Friction Materials, Belting and Footwear. Apcotex's range of Latexes are used for Paper / Paperboard Coating, Carpet Backing, Tyre Cord Dipping, Construction, Gloves-examination, surgical and industrial use etc.

The company believes in implementing best practices across all departments and adhering to high quality, safety and environmental standards. Its state-of-the-art manufacturing plants are strategically located on the western coast of India. Over the past several years, Apcotex has developed a strong Research & Development base, which has enabled to develop, manufacture and export products and compete effectively against global players. Through its technical service team and well-equipped application laboratory, the company believes in providing value added services to enable customers to constantly improve the quality of their final product. Apcotex has significant global presence and for last few years has done business in all continents and several countries.

Apcotex has been awarded the prestigious "TPM Excellence Award, Category A" and "TPM Consistency Award" by the Japan Institute of Plant Maintenance (JIPM), Japan.

Apcotex, an ISO 9001:2015 certified company, is also certified for ISO 14001:2015 (Environmental Management Systems) and ISO 45001:2018 (Occupational Health and Safety Management Systems).
