MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The finance sector continues to be characterized by high volatility. The recent governmental policies have strived to lend stability and provided the much needed fillip to the industry. The banking as well as the non-banking entities showed remarkable progress during the year under report.

OUTLOOK, RISK AND CONCERN

NBFCs can sustain in this competitive environment only through identification of potential business areas, widening geographical reach, cost efficiencies, strict credit monitoring and raising the level of customer service. In addition to that rigorous credit evaluation and efficient collection and recovery system are also the major area of concern.

The Company is exposed to normal industry risk factors, economic, political and social risk. The Company shall however meet these challenges and concerns by adopting more prudent and comprehensive business policies.

OPPORTUNITIES AND THREATS

As observed during last few years, the traditionally debt-averse Indian Consumer has been gradually becoming more and more credit happy and has aspiration to enhance the quality of his life. Considering this, there are tremendous potential in retail financing in the years to come. Positive attitude of the Indian consumers will result in the growth of the business of the Company in future.

However tough competition, strict regulations by regulatory authorities, non recovery of dues due to lack of favorable recovery mechanism and uncertain market conditions continues to be threats for the business of the Company.

ADEQUACY OF INTERNAL CONTROL SYSTEM

The Company has adequate internal control systems to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance of laws and regulations. The Company regularly monitors that all regulatory guidelines are complied with at all levels.

The Audit Committee constituted by the Board reviews the adequacy of internal control system.

SEGMENT WISE PERFORMANCE

The Company operates only in one segment.

HUMAN RESOURCES

Human Resources (HR) are our key assets. The company takes all steps to harness this resource to its full potential to ensure fruitful results and employee satisfaction. The HR function ensures that appropriate talent in the industry is attracted and retained. During the year under review, development of leadership and people capability in the organization continued to be of focus.

CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The philosophy can be described as the business practices with the ultimate aim of enhancing long term shareholder's value and remaining committed to high standards of business ethics. Your company and its employees have a commitment to its customers, competitors, local communities, shareholders and the nation to conduct the business in an ethical and legal manner.
