- That the Directors had prepared the Annual Accounts on a going concern basis.

12. AUDITORS OBSERVATIONS :

a) In regard to the forfeiture of shares we submit that the company issued the right shares in 1995 in the ratio of 3:1. Accordingly the, rights offered to the promoters were for the shares 6,65,950. However, the promoters had to subscribe 11,42,950 shares to make up the 90% subscription to avoid the devolvement of the issue. This has resulted in additional subscription of shares by the promoters to the extent of 4,77,000 shares. Against this, the shares forfeited are 4,71,350 only. Thus, the promoters have totally met their commitments made in the prospectus. The additional application for the rights shares has resulted in the extra deployment of funds by the promoters. Due to this the promoters could not pay the call money resulting into forfeiture of shares. ICICI Ltd. and SICO Ltd. was appraised on this matter during the project implementation period itself in the year 96-97.

b) As the realisation value of the inventory lying at the units where the production is suspended is more than the cost hence no provision for losses is considered necessary at this stage.

c) The other observations made by the auditors in their report have been adequately dealt with in the relevant notes forming part of the accounts, and as such do not require any further explanation.

13. AUDITORS :

M/s. RATHI AND BANGAD, Chartered Accountants, Auditors of the Company will retire at the ensuing General Meeting. The members are requested to reappoint them.

14. SUBSIDIARY COMPANY :

A Statement pursuant to section 212 of the Companies Act, 1956 in respect of the subsidiary company, is appended to the Balance Sheet.
