ITEM NO.5

Presently, the face value of the Equity Shares of the Company is Rs 2/- per share as compare to general denomination of Rs 10/- per share prevailing in the market. This is causing confusion amongst shareholders and at the same time gives an impression that the stock is a 'Penny Stock'. Therefore, in order to maintain uniformity with market trend, it is decided to change the face value to Rs 10/- per share. The change would result into consolidation of every 5 (five) shares of Rs 2/- each into 1 (one) share of Rs 10/- each. The shareholders will be eligible for new share certificates representing the consolidated shares with new distinctive numbers (except in case of shares held in demat form) in the aforesaid proportion. The number of Equity Shares resulting into fraction after consolidation be transferred in favour of a Trustee and will be sold in the open market at the Market Price and the proceeds be distributed amongst the shareholders entitled to receive the same.

None of the Directors is concerned or interested in this resolution.

Your Directors recommend resolutions at Sl. No.5 for approval.

This may be treated as an extract of the terms of appointment pursuant to Section 302 of the Companies Act.
