CROP

During the current year, your directors report that there has been no production of made tea for the last two years 2008-09 and 2007-08 and the reason for no production is that the company could not restore the supply of electricity from the Board till this date and could not make alternative fuel arrangements due to acute shortage of fund. Consequently, the company is bound to sell the entire production of 1916490 kgs green leaf during the year as compared to sale of 1762825 kgs green leaf in the previous year.

Due to shortage of fund, and non payment of statutory dues and liabilities over the years & no financial assistance from any corner as well as from financial institutions, the company could not re-commence production during the current year too, and is continuing selling green leaf during the present year at the reasonable rate for meeting the labour payments, amenities to staff and labour and other garden overheads payments.

PERFORMANCE

Your Directors report that the Company has incurred gross loss of Rs. 3,46,036/- for the year after receipts of Rs.1224274/- on insurance services during the year, as compared to a gross loss of Rs. 52,65,929/- for the previous year. The main reasons are due to acute shortage of funds causing non restoration of electricity and payments for fuel to re-start production even at higher cost of production against the net realizable amount coupled with unfavourable climate and undistributed rain causing fall in production of Tea from its estimations.

FUTURE PROSPECTS

Your Directors would like to specifically mention that there has been improvement in demand of tea in the domestic market as well as overseas market in the current year but due to huge losses and acute shortage of funds coupled with unfavourable climate, erratic and undistributed rain in the present year, the company has not been able to revive the situation and has been facing huge losses and abnormal damages to the garden and plant & machinery on account of poor maintenance and the loss of production. The company would not in a position to reap and maintain margins and would not show good results even in the present year. Moreover, the company 's net worth has eroded and has been facing financial crisis continuously.

Your directors are turning up to take proceedings with the BIFR authority, seeking restructuring and revival package / scheme envisaging revival and several benefits for the interest of the company unless there is financial support from the banks & financial institutions.

DEPOSITORY SYSTEM

The Company's equity shares are listed on the Regional Stock Exchanges at Bombay and , Kolkata, for transaction of shares in demat form. The shares of the Company are tradable in demat form. However, due to non payment of listing fees for the year and for earlier years , the company 's shares are not being traded at the exchanges . Your Company also offers transfer-cum-demat facility to expedite the transfer process.

INDUSTRIAL RELATION

During the year under review, your Company has been maintaining cordial and mutually helpful relationship with its employees. The Board takes on the records its deep appreciation of the cooperation and support extended by employees at all levels and looks forward to their total involvement and in pertaining the over all improvement of the Company.

PARTICULARS OF EMPLOYEES

The Company had no employee drawing more than Rs.24,00,000/- per year or Rs. 2,00,000/- per month during the year and as such the particulars as required u/s 217(2A) of the Act are not required.

DIRECTORS RESPONSIBILITY STATEMENT

In terms of Section 217 of the Companies Act 1956, your Directors state that:

- (a) In the preparation of the annual accounts, the applicable accounting standards have been followed and there have been no material departure.
- (b) The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the loss of the Company for the year.
- (c) The directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act 1956 for safeguarding the assets of the Company.
- (d) The Directors had prepared the annual accounts on a going concern basis.

DIRECTORS

Mr. Uma Shankar Bajoria retires at the ensuing Annual General Meeting and being eligible offer himself for re-appointment.

Mr. Harsh Bajoria, the Managing Director of the company, has informed that in view of huge losses and continuous financial crisis even in the current year, he has forgone his basic remuneration as so reported in the last General Meeting of the company, and he has decided to continue rendering his services as managing director as he has so been rending in earlier years even without remuneration. The company took on record the appreciation of services rendered Mr. Harsh Bajoria during the year and his continued support.

Management Discussions and Analysis Report

Pursuant to Clause 49 of the Listing Agreement, a Management Discussion and Analysis Report is given below:

(a) Industry Structure and Developments

The tea industry is improving situation of supply exceeding demand. With the sale volume remaining almost moderate and with lower realisation, the margins are under pressure. The Company has not producing made tea to sell due to shortage of fund and has been selling green leaf but at lower margins. The step taken for cost control, quality up gradation as well as marketing policy are expected to improve the margins in future.

(b) Opportunities and Threats

As your company's produce is presently not exported, it is not exposed to the vagaries of the export market.

(c) Segment-wise or product-wise performance

Inspite of the industry continuing to operate under favourable conditions, the performance of your company has somewhat sustained due to its producing and selling green leaf only.

(d) Outlook

It is hoped that the industry has been improving, with the demand for exports picking-up in due course.

(e) Risks and concerns

The availability of new land for cultivation continues to be a constraint. The steps taken for increasing the yield as well as the replantation programme being pursued by the Company will enable the company to revive and sustain its manufacturing capacities provided the company gets financial support from the concerned institutions.

(f) Internal control systems and their adequacy

The system of internal control is commensurate with the size and nature of the business of the Company. The systems are regularly reviewed to ensure its effectiveness.

(g) Discussion on financial performance with respect to operational performance

These have been covered in the Director's Report specifically under the section on Financial Results and operations. The statement of accounts shows that the net worth of the company has eroded due to operational activities.

(h) Material developments in Human Resources / Industrial Relations front, including number of people employed

The Company continues to lay emphasis on training and development of its human resources. The requirement of professionally qualified and trained personnel is regularly reviewed to obtain optimum results in all spheres of its activity.

The Company continued to maintain healthy and cordial Industrial relations at all its production facilities. It also strives to maintain the best of relations with its employees and ensure providing all mandatory facilities to them.
