To achieve the highest standards of quality
by providing state-of-the-art infrastructure,
management & services for total customer satisfaction,
thereby delivering the highest value to our esteemed share / stake holders.

the Chairman

I am delighted to report to you that the Company's performance in the Fiscal Year 2007 - 2008 has been promising.

Ever since our inception in 1983, we have been steadily and gradually expanding our capacities, capabilities and businesses. We have been perfecting operating systems on these very abilities which have also made us the leading manufacturer in the label industry.

Our name is synonymous with quality as well as reliability. It is not only because we follow a strong code of conduct and ethics but also the fact that we are able to integrate and manage our business units successfully within the AWL group. It gives me great pride in saying that all our attitudes and actions must be and are recognised as an expression of quality and professionalism.

In spite of constant fluctuations in the Stock Markets and the American sub prime economic issue, AWL has performed well in the year ending 31.03.2008. The key indicators are as under:

	Standalone	Consolidated
Income (INR Crores)	69.6	108.2
PAT (INR Crores)	15.5	16.5
EPS (INR)	1.33	1.41

The future

As always, we remain firmly committed to maximising shareholder value. Our new business ventures will start generating significant revenues as well as higher shareholder value in the forthcoming financial year. As in the past, we will continually strive and focus on improvements as well as strengthen our leadership.

I am highly indebted to the Board of Directors of AWL for their unstinting support. Furthermore, may I also express my gratitude to our customers, employees, suppliers, bankers and esteemed shareholders, for their consistent faith in our ability to deliver maximised results and returns.

You would recollect that we had sought your approval to demerge the textile business into a separate company and to change the name of the company. I am pleased to inform you that the Hon'ble High Court of Bombay has sanctioned the demerger and the name of the company will be changed to "Delta Corp Limited" very soon.

We continue to look to the future with great optimism as the focus of economic growth is concentrated in our geographical arenas of operations. With your support and a highly committed and motivated workforce, we will continue to scale even greater heights in our journey towards becoming a truly global enterprise.

With best wishes,
Jaydev Mody
Chairman

Nature does nothing uselessly.

Aristotle

AWL, the leading manufacturer in the label industry, is today a proud conglomerate of businesses specialised in Real Estate Development, Hospitality, Gaming and Aviation.

With investments in East Africa, a wider operations base across India, extensive aviation operatives in India and planned development of its hospitality and gaming properties in India, AWL is now a truly global enterprise.

DELTA *CORP LTD*

This metamorphosis is a direct result of the pioneering vision of AWL's esteemed and distinguished Board of Directors.

Backed by a collective experience spanning over two decades in real estate and textile industry, AWL now surges forward with a clear focus on diverse, high-growth business segments, with an early mover advantage in the nascent gaming business in India.

Strategic planning, flawless implementation and adherence to stringent quality standards - all ensure that AWL scales new heights and surpasses shareholder expectations in the times to come.

The new AWL Group is one that holds the promise of a better tomorrow with its unique and scalable business model.

A wondrous metamorphosis, indeed!
