III. OTHER INFORMATION:

1. Reasons for loss or inadequacy of profits:

i. Effect of writing off Goodwill

Consequent upon giving effect to Scheme of Demerger, an amount of ₹ 7,16,18,819/- arised as Goodwill (being difference between the aggregate value of equity shares allotted and net book value of the assets under demerger undertaking as on 1st April, 2008). It had been decided to charge Goodwill to Profit and Loss Account in equal amount over a period of five years on straight line basis. Goodwill also includes loan fund and retirement benefit obligation pertaining to textile division transferred subsequently.

In view of the above, it can be concluded that Net Profit before Tax has been affected. Has the amount of Goodwill not written off and charged to Profit and Loss Account, the Net Profit before Tax of the Company would have been different as evident in the table below:

Financial Year	Net Profit/(Loss) Before Tax	Goodwill written off	Net Profit/(Loss) Before Tax, if Goodwill not written off	Net Profit/(Loss) After Tax
2008-09	(2,17,698)	1,43,23,764	1,41,06,066	(56,03,019)
2009-10	11,91,187	1,43,23,764	1,55,14,951	(44,00,542)
2010-11	2,80,12,469	1,43,23,764	4,23,36,233	1,37,45,620
2011-12	28,86,189	1,43,23,764	1,72,09,953	(27,16,263)
2012-13	1,47,29,230	1,43,23,764	2,90,52,994	2,97,67,380

It can be viewed from the above table that under the able and dynamic leadership of Mr. Chand Arora, the Company has year after year constantly performed very well.

Further, as stated above that the Goodwill arised on demerger had to be amortised over a period of five years, the financial year ended 31st March, 2013, is the last year for writing off goodwill. Therefore, from the financial year commencing from 1st April, 2013, the Net Profit of the Company is expected to rise substantially and that further goes to justify the proposed remuneration to Mr. Chand Arora.

- ii)** During the year, there was substantial increase in the cost of material consumed and other expenses. Further, due to fall in demand/requirements for certain high margin products, the Company was not able to make optimum utilization of its production capacity and as such the company could not achieve optimum production mix in comparison to its installed capacity, leading to increase in expenditure which could not be fully offset by the revenue during the year.

- iii) Further due to fluctuation in the power supply, the Company was not able to maximize the usage of the installed machines, as the operations of the Company are special in nature and the time taken in achieving the normal production cycle on restoration of electricity was high, resulting into wastage of production time, increase in cost, more wastage and low output as compared to the installed capacity.

2. Steps taken by the Company to improve performance:

- i. Optimal utilization of the resources available with the Company, by using technologically advanced machines to achieve optimum production mix.
- ii. Aggressive Marketing to capture sizable shares in the Textile Industry. The Company is planning to expand its presence in those domains where small and mid size companies are operating but cannot provide superior quality products and thus it will help the Company to increase its order book size and in turn help the Company to achieve optimum utilization of its installed capacity as well as optimum product mix.
- iii. New product development to capture untapped areas of Textile Industry. The Company is working on enhancing its R & D activity, wherein the main thrust will be developing new products and where by the existing infrastructure of the Company can be utilized to its optimum level without having to make new investments.
- iv. Concentrating on the Export Market. The Company is actively touching base with new clients in international market, whereby the untapped territories can be explored leading to increase in overall performance of the Company.

3. Expected increase in productivity and profits in measurable terms:

With the above mentioned steps taken by the Company, the Company will be able to improve its sales and profit. Increased production capacity is expected to increase turnover of the Company.

IV. DISCLOSURES:

Remuneration Package :

Remuneration package as mentioned in the Special Resolution.

None of the Directors of the Company, except Mr. Chand Arora, himself, is concerned or interested in the Resolution, except to the extent of their shareholding.

The Board recommends the above Special Resolution for the approval by the Members.

This explanatory statement shall be treated as the memorandum of abstract as stipulated under Section 302 of the Companies Act, 1956.
