- 4) The relative Explanatory Statement in respect of Item No.5,6 & 7 of the agenda is annexed to this notice.

**Explanatory Statement Pursuant to section 173 of the Companies Act, 1956.**

**ITEM NO.5**

Members are aware that the Central Government is considering making radical changes in the Companies Act, 1956 and a new Bill is expected to be introduced in the Parliament in the near future. At present the Companies Act, 1956 restricts the purchase of shares by a company unless the same is done with a view to reduce its authorised share capital and completing the necessary formalities as prescribed in the Act. The new Bill in lieu thereof is expected to provide for purchase of own shares by a company and the same is based on the provisions of the Company Law in advanced and liberalised markets.

In view of the proposed amendments to the Companies Act, the Board of Directors of the Company intends to have the power to buy back not exceeding 25% of the total voting power relating to the shares of other securities giving rights to subscribe shares of the Company, from the existing shares/security holders on a proportionate basis and/or from the open market and/or from the lots smaller than market lots of the securities, subject to necessary enactments in this regard.

The Company proposes to meet out the required amount for the said buy back of shares/securities out of its free reserves and/or shares/securities premium account and/or out of proceeds of an issue specifically made for that purpose or from such other resources as may be permitted by law. The shares/securities so bought back shall be dealt with as per the then prevailing law/regulation.

The Board of Directors is of the opinion that it will be in the interests of the Company if the said resolution of buy back of shares/securities is approved by the shareholders which will be subject to the proposed amendment in the Act.

The Board commends passing of the Resolution as set out in item No.7 of the accompanying Notice.

None of the Directors of the Company is concerned or interested in passing of the Resolution.

#### ITEM NO.6

The Company continued to fare well as can be seen from the Audited Accounts for the financial year 1997-98. The Company wishes to maintain its growth in the same manner by opening up more avenues to maintain this growth. The Company would be in a position to take up the above activities on a large scale basis provided the company has necessary power to raise the funds.

In view of the above, the Board of Directors of the Company has decided to have an option either for Public Issue of shares/securities or to place privately shares/securities with the Directors/Promoters their friends and relations and Associate Companies. Financial Institutions, Banks, Mutual Funds, Bodies Corporate, Overseas Corporate Bodies, Foreign Institutional Investors, Non-Resident Indians and any other persons/entities as detailed in Resolution No.6 of the accompanying Notice.

In terms of the Listing Agreement entered into with the Stock Exchange and provisions of Section 81 of the Companies Act, 1956, new Shares/Debentures/Securities are first to be offered on pro-rata basis to the existing shareholders, unless the shareholders at the General Meeting decide otherwise by a Special Resolution.

The Board commends passing of the Resolution as set out in Item No.6 of the accompanying Notice.

All Directors of the Company may be deemed to be concerned or interested in the passing of Resolution No.6 to the extent of the Preference Shares offered to them or to their relatives or to the companies or to firms of which they or their relatives are Directors or members or partners.

## ITEM NO.7

The Company's shares are presently listed in Madras, Mumbai & Ahmedabad Stock Exchanges. The shares are infrequently traded on Ahmedabad Stock Exchange. However, the shares are actively traded on Madras and Mumbai Stock Exchange as a permitted security.

With the advent of electronic transaction, an investor can buy/sell his securities in any of the Exchange in the country without any problem. In view of this, there is no justification for keeping the shares listed on so many Exchanges, and thereby incurring avoidable expenditure. The Board of Directors had, accordingly, approved applications to Ahmedabad Stock Exchange for delisting of the shares as the Company fulfilled the criteria laid down by the Finance Ministry in this respect. The matter is being pursued with the concerned Stock Exchange.

However, as a matter of abundant precaution, it is proposed to obtain the approval of the shareholders to the proposed delisting of shares by a Special Resolution.

None of the Directors is concerned or interested in the resolution.
