FROM THE DESK OF MD & CEO

Dear Shareholders,

FY 14 has been a good year for Arvind Remedies with growth in overall business and commercialization of Unit 3, we are foraying our presence in the 1000cr Revenue mark. We are much grateful to our esteemed shareholders for all their support and co-operation extended all along in the past. Our presence in Domestic market has increased to 30 own brands across acute and chronic segment. Currently our field force is covering 10 states. In the Generic segment we have a specialised team for In house sales & marketing personnel which has a good reach to Pan India. Going ahead we expect to explore more opportunities to increase the number of product, and the marketing territories for the domestic segment. This year we have seen increase of contribution from the CRAMS segment which we cater to various national and multinational companies in dosage forms of Tablets, Capsules, Dry Syrups, Ointments, Liquid Orals and Injectables. In the International market we are foraying into new regions and expect larger contributions in the marketing share in the coming years. New products are also being developed with the patents registration. Looking at the need of drugs with less side effects and better efficacy, we at Arvind Remedies are engaged in developments of dosage forms with unique USP. As a result side effect of existing formulation is reducing and bioavailability of drug or end point therapeutic effect is increasing. Currently we have products in the late clinical stage in different therapeutic segments like Neuro de-generation disorder, Arthritis, Cardiac, Depression and Viral Diseases. Needless to mention, we look forward to your continued support in bringing up ARL to the heights of global renown.

With good wishes,
Dr. B. Arvind Shah
